Swallowed (Entrapment, #2) Von Lily M. "Swallowed" is the second book in the "Entrapment" Series by Hazel

Kelly. Its a good short steamy read. Like the first book, I did enjoy reading this.

Kurzbeschreibung Swallowed is an erotic suspense novella and part two in the Devoured Series by Hazel Kelly. Sometimes an itch just has to be scratched... Professor Kirk Jenkins risked everything when he gave in to his student's seduction: his job, his reputation, his engagement. But he got away with it. And with his secrets and lies buried deep inside him, he was looking forward to a bright future- a future where his wife wasn't the unconsenting victim of a seedy love triangle. But moving on served up a new set of challenges he never could have foreseen, and with his marriage on the rocks, Kirk can hardly cope. So when Julianna Foster walks back into his life during a moment of weakness, he doesn't have the strength to resist the lust he feels for her. Because as a graduate student, she's more irresistible than ever. And this time, she's not playing. \*\*Warning: This erotic suspense series contains mature content including explicit contemporary sex scenes and explicit language
