Von Jana DeLeon : Swamp Sniper (A Miss Fortune Mystery, Book 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised Swamp Sniper (A Miss Fortune Mystery, Book 3):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Laugh Out Loud FunnyVon EvaYet another murder occurs in the small town of Sinful, Louisiana. This time, Fortunes friend Ida Belle is accused of murdering her rival in the mayoral election by poisoning him with the Sinful Ladies Societys cough syrup (aka white lightning). Hilarity ensues.What I liked:You should not read this book in a public place.

Seriously. I was laughing all the time, and people probably thought I was crazy. There is lots and lots of lovely humor. And not the kind where you laugh at someones expense here, you laugh with the characters. I read mostly for entertainment, so for me one of the biggest compliments I can pay an author is to say that she made me laugh out loud. Not just a smile or a chuckle a real belly laugh. Jana DeLeon definitely delivers. The characters are also immensely enjoyable. They all have their quirks and faults but are loyal to a fault. I always look forward to meeting up with them again. What I didnt like: In my opinion, this was almost a five star book. Unfortunately, the plot has more holes than Swiss cheese. If the police had bothered to run the victims finger prints, the crime would have been cleared up within the first few chapters. Also, the characters mention several times that the police has absolutely no reason whatever to search the murder victims house or his desk. Seriously? Even I (and I dont watch CSI or any other crime show on TV) know that the police will definitely search the victims possessions in a murder case. Conclusion: I enjoyed this book immensely. I can recommend it to anyone whos looking for some entertainment and isnt bothered by some inconsistencies in the plot. This is the third book in Jana DeLeons Miss Fortune series, but you dont need to read the previous books to understand this one. Go ahead, give it a try.

Ich liebe Ida Belle (was fr ein schner Name!) und Gertie ganz besonders, sie sind so herrlich schrullig! Gertie, kauf dir ja keine neue Brille! Es wre schade um die Gags. Das Buch hatten die richtige Portion Humor fr mich, hnlich wie ich ihn bei Stargate SG1 und Eureka finde.

Ich hoffe die Bcher werden bald ins Deutsche bersetzt, wobei man sie ebenfalls in der englischen Version gut lesen kann - auch wenn man kein Englisch-Ass ist!

Fr dieses Band von mir wieder volle Punktzahl und eine eindeutige Lese-Empfehlung!

den Autor und weitere Mitwirkende New York Times and USA Today bestselling author Jana DeLeon was raised in southwest Louisiana among the bayous and gators. Her hometown is Carlyss, but you probably won't find it on a map. Her family owned a camp located on a bayou just off the Gulf of Mexico that you could only get there by boat. The most important feature was the rope hammock hanging in the shade on a huge deck that stretched out over the water where Jana spent many hours reading books. Jana and her brother spent thousands of hours combing the bayous in a flat-bottom aluminum boat, studying the natural habitat of many birds, nutria and alligators. She would like you to know that no animals were injured during these "studies," but they kept makers of peroxide in business. Jana has never stumbled across a

mystery or a ghost like her heroines, but she's still hopeful. She now resides in Dallas, Texas, with the most spoiled Sheltie in the world. Visit Jana at her website or on Facebook: <http://janadeleon.com>
