Die Geschichte von "Sweet Blood of Mine" fngt gut an, ist unterhaltsam und interessant. Jedoch lsst sie ab dem Moment, in dem dann auf einmal 4-5 verschiedene Paranormals auftauchen, leider nach.  
Eins was mich beim Lesen wirklich gestrt hat, ist die Tatsache, dass aus dem sympathischen Normalo Justin, eine Art Superheld mit bazillionen Superkrften gemacht wurde. Ist ja okay wenn sich der Protagonist als Halbmon herausstellt. War ja auch alles interessant etc., dann aber zu sagen, dass er noch ein Halbmagier ist (der ohne vorher eine magische Ausbildung oder hnliches gemacht zu haben, natrlich trotzdem sehr mchtig ist) und ihn dann zu einem ganz speziellen Dmonen zu erklren, der anders als 99,9% der Dmonen, eine Seele besitzt, ist zu viel, sorry. (Stichwort Zauberei: Man merkt deutlich, dass einige Sachen von Harry Potter inspiriert wurden) Vorallem vor dem Hintergrund, dass Justin dem Leser als "Loser" vorgestellt wird, jedoch auf einmal - BM! - so ziemlich alles kann und viel talentierter in Dingen ist als andere Leute. Der Autor versucht ihn zu "perfekt" zu machen und das hat den interessanten und sympathischen Protagonisten leider langweilig gemacht.  
Die zweite Hlfte des Buches wurde auerdem etwas unbersichtlich mit den ganzen Backgroundgeschichten der Familie bzw. der Paranormals. Aber vllt. habe ich nur diesen Eindruck, weil ich nicht mehr so konzentriert gelesen habe, da ich die Geschichte nicht mehr so spannend/interessiert fand.  
FAZIT: 3 Sterne fr die gute erste Hlfte mit lustigem und unterhaltsamem Humor. Leider hat mich der paranormale Teil - der "wichtige Part" des Buches - kaum interessieren knnen. Das Buch ist okay, jedoch hat es bei mir nicht genug Interesse wecken knnen, die Fortsetzungen zu lesen.

If you're in a "What to read until the next Dresden comes out"-situation, you want to get Sweet Blood of Mine.  
First: it's free, so you can hardly go wrong, even if you end up not liking it. (EDIT: No longer for free it seems, but 1.02 is still a good deal) Second: it's a very good read and I'm confident that most Urban Fantasy fans would agree here.  
Sweet Blood of Mine is a classic story of initiation. It's fast paced and very captivating. The protagonist comes into his powers rather early, which are not limited to seduction, as most descriptions might make you want to believe. Quite the opposite actually, he quickly gets powerful in a not too subtle way, which I rather like. There's a lot of romance in the book, but I did not get the feeling, that it overshadows the story in a Hamilton or Meyer kind of fashion. The portfolio of supernatural beings seems diverse and I was positively surprised of the choices Corwin made for his main characters. He certainly did not re-invent the wheel, but put some cool new rims on it. Writing style, choice of words and humour are clever and witty and remind me of Butcher at times. Romance parts are a bit too cloying and dramatic for my taste sometimes. I guess Corwin tried to write the Swiss Army Knife of urban fantasy here and I have to admit that he mostly succeeds. Hope he can uphold this level throughout the whole series. Why not five stars? Quality is very good but there are a few forehead-slapping moments in the book, which you would not find in a Dresden novel. One thing I have to mention here in particular. During the showdown, one of Justin's more exotic powers manifests, which is a bit over the top and in my opinion stolen from a popular video game franchise...but see for yourselves.  
My advice: get it and be entertained!

I'm going to read the rest of this series. I love this story, it was fast paced and a fun read. I really enjoyed Justin's POV.

FROM ZERO TO HERO  
Justin has ninety-nine problems, but a vampire ain't one. When Justin discovers he has super powers, life gets a lot more interesting. But as he learns the ropes of his new supernatural life, he soon realizes he's not alone. His parents are hiding dangerous secrets from him. The girl he falls for is sworn to kill him. A finicky felycan wants to make him his plaything. And a bounty hunter has his family in the crosshairs. If that's not enough, his former best friend, Randy, wants to use his blood to create a vampire super-serum to build an army of bloodsuckers. If he can't survive his other issues and stop Randy, Atlanta will be hip-deep in vampires, and Justin will be their juice box.
