Awesome anthologyVon Ni NaWhen I bought Sweet Christmas Kisses I thought that this would be a good read

because I have read other stories by the authors of this anthology and love their books. Well, the only thing I knew about this one was that the stories would be Christmasy and that they would be love stories. What I got was so much more, though. The stories are about the early stages of love (early might need some time, too!). Getting to know each other, maybe dating, coming closer, maybe the first kiss, not being sure who you actually love, or whether this love is returned, emotional turmoil. You get the idea. Reading about this in stories that are as different as can be was awesome. I enjoyed each of them a lot and lost a good night's sleep because I could not put my kindle away until I had finished the book. I think the stories are moving and touching in a wonderful way. I had to giggle out of joy and cried because I felt for the characters due to what some of them endured. The Christmas theme adds to that as well. Lovely stories, not only for Christmas. I'd say absolutely worth reading. 5 stars

Kurzbeschreibung Kismet and Cocoa by Dominique Eastwick When true love shows up on her doorstep, will Abby let him in or will she turn him away? Sometimes Kismet is all you need. Silver Bells and Cat Tails by L.J. Garland Tabitha isn't crazy even though every guy she's dated has ended their relationship by calling her exactly that. Then a handsome man awakens on her sofa, and everything changes. Could he be the one? Meri Chris Mess by Dara Fraser Meredith accepted the teaching position at Oak Springs looking for a new start but when a flood destroys everything in her classroom, she fears she'll never be able to save her fledgling music program and certainly not in time for the Christmas show. The children will be devastated. But can a handsome and understanding firefighter along with the caring townspeople turn a mess into a Merry Christmas? The Little Match Girl and the Billionaire by Kate Richards A fire on Christmas Eve, leaves Noelle homeless and holding a box of abandoned kittens. The handsome stranger whisking her off to a mansion on the outskirts of town may change her holiday darkness to sweet Christmas Kisses. Check Yes or No by Anastasia Vitsky Sharie Black couldn't care less about the boy next door, or at least not in that way. That is, until a personal tragedy creates a Christmas miracle.
