Von Tammara Webber : Sweet (Contours of the Heart Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet (Contours of the Heart Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Can't wait for more from Tammara Webber!Von ink.eaters book blogWow, wow, wow!I am falling more and more in love with Tammara Webber's writing one book at a time.Her latest novel, "Sweet", is an absolutely enthralling page-turner; I read this on my flight from Frankfurt (Germany) to Dallas (TX, USA) earlier this week, and despite several power

naps and LOTS of food (seriously, I had never had as much food on a flight before!), I was done with the book before we ever got close to touching down in Texas (I think we were about three hours from Dallas when I turned the last page with a content little sigh). And as much as I hate to admit it though if you'd been one of the people on my flight, you'd probably already know anyways this novel actually made me shed a "Sweet" tear or two, much to the confusion of the man sitting behind me. This, however, was not necessarily due to the scenes bearing tragic or sadness, but thanks to the overwhelming cuteness overload that hit me in some of the most unexpected moments. "Sweet" could have just as well been called Sweet and Spicey *HOT*, Sweet Spicey because the book's like a bucket full of chicken with a side of waffles: all tempting and delicious, sweet and spicey, with Boyce being some serious competition for Lucas Maxfield (the male protagonist of "Easy" and "Breakable", the first two installments in the "Contours of the Heart" series) in the book-boyfriend department. It really comes as no surprise that Pearl fell in love with Boyce. He is the perfect little (big? Wouldn't wanna deliver an unintended inaccurate pun (-;) package a hot bad boy on the outside, and a boy who raised himself right on the inside. Boyce Wynn and Pearl Torres Frank are perfect for one another they are like two matching puzzle pieces, completing - and bringing out the best in - each other. This novel is a great example how one moment, one fateful encounter even if neither one of the two protagonists believes in fate can change the course of your life forever. You will meet people who will stay in your life forever, and you will meet people who will only stay for a short while. You will meet people who will care, who will love you, and you will meet people who will inevitably hurt you. You will be around people who will try to influence you to go down a certain path in life, and you will meet those who will support you, your dreams and decisions, no matter what. And you should never settle for less - never settle for the least, the minimum, because you deserve nothing but the best. This is where one of the sweetest parts of the book comes in the acknowledgements in the back of it. While I absolutely loved the story, the last paragraph of said acknowledgements makes me adore Tammara Webber as a person, and not 'just' a writer, even more than I already had. I'll save you a seat at my 10 authors you'd love to have a teaparty with-table, Tammara!

Kurzbeschreibung From the author of NYT bestsellers Easy and Breakable - a standalone novel in the Contours of the Heart series He's the love of her life, but he doesn't know it. She's his one moment of sacrifice in a lifetime of survival. He was damaged and wild, but resilient. She's always been obedient; now she's restless. Home for the summer between college and med school, Pearl Torres Frank knows two things: Boyce Wynn is the embodiment of everything she should run from, and everything she wants to run to. Rebellious and loud. Unconcerned with society's opinion of him. Passionate. Strong. Dangerous. And one more trait he hides from everyone but her: Sweet. And one more trait he hides from everyone but her: Sweet. ber den Autor und weitere Mitwirkende I write romantic, contemporary, coming-of-age fiction (Young Adult and New Adult). Represented by Jane Dystel of Dystel Goderich Literary Management. I'm a hopeful romantic who adores novels with happy endings, because there are enough sad endings in real life. Before writing full time, I was an undergraduate academic advisor, economics tutor, planetarium office manager, radiology call center rep, and the palest person to ever work at a tanning salon. I married my high school sweetheart, and I'm Mom to three adult kids and four very immature cats.
