Kurzbeschreibung Can true love and a sweet tooth conquer all? Abby Branson has a plus-size crush on handsome billionaire Stephen Blake, CEO of a gourmet foods empire. But when shes hired by Blake Foods as a taste tester for a new line of diet desserts, shes devastated to discover that the real Mr. Blake isnt anything like the fantasy man in her dreams. Until one passionate kiss reveals theres more to the brooding billionaire than meets the eye. With profits slipping, the future of Stephen Blakes gourmet foods company is riding on the successful launch of his diet desserts line. Adding cute and curvy Abby Branson to the project team makes sense. After all, she smart, feisty, and fits the customer demographic to a T. Although love is the last thing on Stephens mind, he cant help but notice that Abby is more delicious than anything his company creates. Sparks soon fly between the billionaire and the BBW. But with her insecurities and his wounded heart, coming up with the right recipe for romance wont be a piece of cake. Will Stephen and Abby succeed in the diet desserts business and find true love in the process? Sweet for You is a feel-good romance with a HEA ending. This sweet novella is one guilty pleasure that wont pack on the pounds even if you read it more than once! It is the first standalone romance in the Sweet Curves series.
