**Von M.C. Beaton : Sweet Masquerade (Regency Season)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet Masquerade (Regency Season):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Same old story, but well presentedVon Ein KundeI started this book with the thought "another earl and his ward" and stifled a yawn, because that is surely a plot that is used far too often and holds few surprises. And it is true enough. There is the Earl, Lord Berham and his Ward (first disguised as a boy, but that is another plot so widely used, that it doesn't

help to make the story more interesting), a beautiful but wicked competitor Lady Rennennord and a few side characters. I did not like all of Chesneys books and thought some series very flat or childish, but with this story she proves herself a good writer and makes incredible things out of such commonplace clichs. Despite the lack of surprise the characters are almost 3-dimensional and the story is more than joyful. Chesney shows a sharp wit that and almost Heyer-like writing qualities.

KurzbeschreibungThe tenth earl of Berham did not know what to do. An attractive 32-year-old bachelor, he had been appointed guardian of the young Freddie Armstrong, the eighteen-year-old grandson of his late father's dear friend. That was bad enough. Then he discovered that this boy was really a girl! It was against all convention and against his personal code to keep a young lady concealed in his own home. He had to find a solution.The earl's frequent visitor, Lady Clarissa Rennennord, heartily agreed - but for less noble reasons. Lady Clarissa hoped to snare the earl in marriage and she did not want any competition. She recommended that Freddie be sent to a seminary. No one but Lady Rennennord knew what a horrid place it was. No one, including Lady Rennennord, had expected Freddie to escape? Now Freddie was back, and the earl found her presence unsettling in more ways than
