Von Lynsay Sands : Sweet Revenge before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet Revenge:

KundenrezensionenHilfreichste Kundenrezensionen9 von 9 Kunden fanden die folgende Rezension hilfreich. An Eye for an Eye, A Wife for a WifeVon Tina EIn keeping with her other books, "Sweet Revenge" encompassed all of the

typical aspects found in a Sands novel ... romance, humor, wit, an interesting subplot, and a strong relationship between the hero and heroine. Laird Galen MacDonald's wife was murdered nine months past by his nemesis, Laird MacGregor. When Galen learns that the MacGregor plans to take an English woman as a bride, he decides to get his revenge by stealing her and marrying her himself. Lady Kyla Forsythe, the English bride in question, quickly realizes her feelings for the man who ambushed her traveling party, captured her, and wedded her. And above all else, is grateful to him for stealing her away from the MacGregor, a man rumored to have beaten his first wife to death. The book was a trademark Lynsay Sands in that it was witty and humorous throughout. She also wove an interesting murder-mystery subplot throughout the novel to keep the book well-paced. If you liked "The Deed", you will love "Sweet Revenge".

Von Daisy Ich habe das Buch nicht in der englischen Originalfassung gelesen sondern unter dem Titel "Se Rache" - erschienen bei Cora in der Reihe Historical. Erst mal eine kurze Inhaltsangabe: Lady Kyla ist schwer verletzt und hat hohes Fieber. Sie wird trotzdem von ihrer verhassten Schwägerin auf die Reise zu ihrem kniffligen Brutigam McGregor geschickt. Auf der Reise wird der Tross vom Clan des Galen McDonald befallen. Galen gibt McGregor die Schuld am Tod seiner 1. Frau und entführt deshalb seine Braut um diese aus Rachegelenken heraus zu heiraten. Die Ehe wird auch geschlossen - Kyla ist jedoch vom Fieber zu benebelt, da sie von der eigenen Vermählung nichts mitbekommt. Als sie sich schließlich erholt hat, stellt sie den gesamten McDonald-Clan auf den Kopf und erobert so ganz nebenher auch noch das Herz ihres "Gemahls" - ohne zu wissen, da sie bereits verheiratet ist... Was sich hier etwas wirr anhört ist es auch.. Dadurch, da Kyla die eigenen Hochzeit "verschlafen" hat und die McDonalds davon ausgehen, da sie geistig verwirrt ist, sorgt Kyla für jede Menge Aufregung in der Burg und für Gelächter bei der Leserin. Die Heldin ist wirklich knuffig gelungen und Galen als geplagter Ehemann gibt auch so einiges her. Das Buch zeichnet sich nicht so sehr durch seine romantischen Aspekte, sondern vielmehr durch seinen wirklich schrillen Humor aus. Die Geschichte ist so hahnebüchsen, da sie schon wieder gut ist - deshalb auch volle 5 Sterne!

Von Magritte Sweet Revenge is a fun historical Romance typical of Mrs. Sands writing which I knew mainly from her Vampire Series about the Argenau family. I enjoy her writing, the story full of surprises and real and out of the ordinary characters. Sweet revenge is the story of Galen McDonald, laird of the Scottish McDonald clan. In order to get his revenge from laird MacGregor, he decides to steal his future bride and to make her his wife. First he thinks that he will make a sacrifice, that she has lost her mind, but his attraction soon might become more. When Kyla Forsythe wakes up healing from injuries which put her on the brink of death she never expected to see such an amazing man. She is grateful to have been rescued but is she happy to be wed to him? Together will they be able to save her from MacGregor and her brother from his wife? I really enjoyed the beginning of the book but at some point it put the book on a side I simply didn't feel like reading the rest. I eventually did in order to finish it, remembering that I liked it at the beginning, but I simply couldn't get back in. After the first half there was much less surprise and I had the feeling to read something I know already. So in the end my opinion is that the book is good, fun and with nice characters, but when you are too used to reading Romances, historical or otherwise you at some point had more hopes for this book especially after reading The Switch. I will take a look at some other books of Lynsay Sands she might have some other surprising books for me. Enjoy the read MBTM

Kurzbeschreibung New York Times bestselling author Lynsay Sands delivers another captivating historical romance set in the Highlands of Scotland! Highlander Galen MacDonald is on a mission of revenge: kidnap his enemy's bride and make her his. But what he doesn't count on is a clever, fiery lass wielding a blade. When he realizes Kyla is delirious with fever, Galen wastes no time in wedding her. While Kyla is grateful for the Scottish laird who saved her from marrying a loathsome man, she is just as furious that Galen has claimed her for his bride. But when they share an unforgettable night of passion, will it lead to a marriage of the heart, or will an enemy tear them apart?
