Erotic romance at it's best - hope you are ready for Julie and NathanVon Katzenjammer123Salon owner Julie Stanford is tired of waiting for Nathan Tucker to finally realize that she is interested in him. So when after months Nathan still hasn't asked her out on a date or shown his interest she decides that it's time to move on. After one hot massage that leaves Nathan lusting for more she tells him that he had his chance and that now she is not longer interested in him.

And what could be better to forget him than a anonymous threesome in Damons (from "Sweet Persuasion") club. But when Nathan finds out about her fantasy he knows that he has to be one of the men pleasuring Julie. He wants her for himself but now has to play after Julies rules. To win her back he has to get over being flustered around Julie and show her that he is just the perfect man for her. Maya Banks is one of my favourite authors when it comes to erotic romances and "Sweet Seduction" is another great book by her. The book is funny, sexy as hell (if you don't get hot during some scenes something has to be wrong with you) and very entertaining. I really enjoy heroines like Julie. She is a bit loud and very outspoken but also a great, loyal friend. Like Faith and Serena before she is a bit afraid of her relationship with Nathan because she fears to loose his love some day. Nathan is all man but around Julie he couldn't be sweeter and more caring. I love the contrasts in him and even if he was a bit slow about going after Julie when he finally does it's so sexy and good. What I also love about "Sweet Seduction" is that not only are Nathan and Julie a great and very sexy pair but that the reader learns more about the relationships of Gray and Faith (from "Sweet Surrender") and Damon and Serena (from "Sweet Persuasion"). It's wonderful to see how the two pairs are getting even closer and move on to the next step of their relationships. I also enjoyed all the new info about Micah and Connor. Both guys are very interesting and I can't wait to read their stories (Micah's story is next, "Sweet Temptation" is coming April 2010).

Von NajlaSchade, schade.. Sweet Persuasion hat sich so gut gelesen und ich war ehrlich gespannt auf Julie's Geschichte. Leider war die Handlung todeslangweilig. Ich glaube, es gibt nur eine Szene, bei der man das Gefuehl hat, dass es sich bei Nathan um einen Mann handelt, sonst sind die Rollen eher vertauscht und Julie hat die Hosen an, waehrend er jammernd, veraergert und planlos hinterher hechelt.

Von SusiSunshine Julie is a very strong woman who knows exactly what, or better said who she wants. She's stubborn as hell and doesn't want to back down. Her ideas are sometimes a bit over the top but she makes them come true nonetheless. Julie runs from one extreme into the next but she won my heart with her sassy attitude and her witty comments. She's a very reliable person and full of love for her friends. She has character, a very strong one and men seem to be afraid of it. But who is Julie to change herself for men. She doesn't want to cower in front of one. She knows her goals, doesn't quarrel with herself, just starts going for them. Nathan is a real sweetheart. I know men hate to hear that but he really is. He's caring and never short of a helping hand. There's just one tiny problem: He wants Julie but he's too shy to do something about it. He feels like a little teenage boy every time she's near him. He has to find a way to get past this or he will lose her completely. And this would be unacceptable for him. He can be stubborn too. But when Julie tries to get him out of her head all bets are off. She goes straight for her biggest fantasy and Nathan will do anything to prevent that or better to participate. Sounds naughty and it definitely is- in a very good way. LOL Nathan crosses his own limits just to make Julie's dreams come true and how sweet is that. I love that man. Yeah I know it's not necessary to say but the scenes between the sheets are great as ever but no real surprise because Maya wrote this book and she knows how to make the pages sizzle. The relationship between these two is slightly different in comparison to the first two books but in my opinion it suits them. I loved the way Maya developed the connection between Nathan and Julie while still getting all the subplot smoothed inside the story. I never lost focus on the main action but was also really intrigued about what happens to everyone else- and there's a lot happening in this book. The groundwork for Micah's story is so good that I already started counting the days till his book is released (188 days *sigh*). Great book about love and friendship with a good amount of witty and funny comments.

Kurzbeschreibung He was the stuff erotic dreams are made of Salon owner Julie Stanford wanted Nathan Tucker ever since she gave him his first massage. Getting paid to feel every inch of his body, stripped, oiled, and spread out in front of her? Stuff dreams are made of. But the sexy guy was oblivious to the signals she was sending until she finished off his final rub-down with something extra. In fact, the best extra he ever had. Unfortunately, he came around too late. Now Julie's moving on? She was everything he'd dreamed of The woman was driving him crazy. She lit fire to his insides then ran like a scalded cat. And now she's going to someone else to have all her fantasies fulfilled? Over his dead body? He's more than willing to give her what she wants, and as soon as he pins the little minx down, he'd show her his own brand of sweet seduction. It's all fun and games until someone falls in love.
