Von Roxy Sloane : Sweet Submission (The Submission Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet Submission (The Submission Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 4.5 stars for this hot reading!Von CassandraI've read this in one sitting, because once you start, you can't stop! The tension, the

sparks between Cam and Isabelle are so damn captivating! An ugly date in a BDSM club ending with a CEO being the knight in shining armor turns into a battle of the wills. When socialite Isabelle bends to the will of her "boyfriend" and agrees to play along, little does she know about his dirty intentions. Brent is a selfish jerk that hopefully gets his ass kicked as the series goes on. Little does the outside world know about their little secret. A secret Isabelle is afraid it will be known by the public. But this date doesn't go on as she hopes. It's not sensual and exciting, it's awful and her cries to stop are heard by one man - Cam. Cam, CEO of her late stepfather's company, and the man who promised to keep an eye on her, can't do nothing. So him rescuing her starts a road down the road of losing control, of worlds colliding he tries to separate. It's a story of hidden secrets, some already revealed, some still kept in the dark. A story about lust and desire and needs and wills. In the end, the question is who will be strong enough to face all this and who will be hurt. Cam and Isabelle are strong characters that I expect to grow as this series goes on, because they both show great potential for it.
