Von Chelsea M. Cameron : Sweet Surrendering (Surrender Saga Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet Surrendering (Surrender Saga Book 1) (English Edition):

Cameron und hier hat sie wieder ein schnes Stck gezaubert.Die Ausgangssituation ist die, dass Vice-President Rory Clarke einen Assistenten sucht und ihn in Lucas Blaine findet. Von Anfang an herrscht Spannung zwischen den beiden und sie geben es relativ schnell auf

die Beziehung rein geschäftlich zu halten. Ich fand die Story super und auch dass Lucah (Lucas) manchmal etwas unsicher war. Mir war von Anfang an klar, dass er nicht "nur" ein Assistent war und das hat etwas Spannung in die Sache gebracht. Jetzt habe ich gerade bemerkt dass es eine Fortsetzung gibt und die werde ich genau JETZT anfangen zu lesen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Book Von Stef1985 I really liked that book the story and the characters in it. Easy to read even for non native speakers.

Kurzbeschreibung "A red hot office romance that will leave you panting! And possibly pantless...I wanted to be besties with Rory. I wanted to lick Lucah. And I wanted to buy post-it notes in bulk and stash them in my nightstand. ;) All I can say is...THE POST-IT NOTE SCENE! *swoon*" -Chelsea Fine, author of Best Kind of Broken She's his boss. He doesn't care. This office isn't big enough for the two of them When Rory Clarke ends up hiring the guy she spent one steamy night with to be her administrative assistant, she's determined to keep things professional. Lucas Blaine has other plans for her. He wants Rory, and it's hard to resist his stunning blue eyes, chin dimple and the way he fills out a suit. Everywhere she looks, there he is, giving her a panty-melting smile and pulling her away for the most amazing (and satisfying) sex she's ever had in her life. What starts off as one sexual encounter turns into multiple trysts in and out of the office and the lines she'd tried to draw so carefully are blurring. But the closer they get, the more Rory realizes that there are things about Lucas she doesn't know, things he's hiding from her. She'll have to decide if she can surrender to her feelings or get out while she still can. *This is an Adult Contemporary Romance and is not suitable for readers under the age of 18* Other books by Chelsea M. Cameron: Nocturnal (The Noctalis Chronicles, Book One) Nightmare (The Noctalis Chronicles, Book Two) Neither (The Noctalis Chronicles, Book Three) Neverend (The Noctalis Chronicles, Book Four) Whisper New Adult Contemporary Romance: My Favorite Mistake Deeper We Fall (Fall and Rise, Book One) Faster We Burn (Fall and Rise, Book Two) For Real (November 14, 2013) Kurzbeschreibung "A red hot office romance that will leave you panting!
