So glad this book was released!Von HonestReviewerFirst of all I want to point out that I almost didn't buy Sweet Temptation because I hate it when books are released one year from now... I hate waiting that long.But it was so worth it!!!!!!!This book in Kaidan's POV helped me understand him in all those situations in which I called him an

arse. I wanted to hit him so many times whilst reading the Sweet Evil series (1-3), sometimes I just wanted Anna to move on and find someone who was worthy of her love, who WANTED her love and who deserved it - but this book made me realise that Kaidan was worthy of her love. He suffered so much from moving to LA, away from Anna. I couldn't believe what Belial had said to him after that New Year's accident... that was beyond cruel. And seeing as Kaidan already didn't think very highly of himself, hearing those words from her father sealed the deal for him, convinced him that he didn't deserve to be with her, those harsh words confirmed his suspicions so he didn't see any other way out of that mess. But he missed her so damn much... It made me love him when I read about how he thought about her all the time, he wanted to be with her so bad, but he was always aware of the potent danger of getting themselves killed if they were to be seen together. What I didn't really grasp was the change in his mind - when he went from "No, I don't wanna get you killed" to "I can't do this anymore, I wanna be your boyfriend" - that should have been explained a little better because it just happened in a nano second and I didn't understand what made him change his mind all of a sudden. Also... Anna had every right to kiss Kopano after Kaidan gave him the green light to go after Anna - who should have known that he didn't really mean it? Words are so powerful and I understood Anna's pain and then there is this gentleman-guy who seems to be genuinely interested in you and after getting hurt like that, she seeks comfort... But I truly hated how far Kaidan had gone to drown his pain after hearing about their kiss. This stupid "Anna-copy-chick"? I despised her and his actions... To be honest, if I had been in Anna's shoes, I wouldn't have pursued Kaidan for so long... he hurt her way too many times. I would have moved on... so that is one thing I don't like about the series. To see how many times he was rude to her, drove her away from him but still pined for her in secret... Why did he expect her to love him all this time when all he did was hurt her every time he was near her? It still pisses me off... Sweet Temptation made many situations "better" - because you finally know why he said those words or why he acted that way... it was really helpful, though I think the ending chapter contained too much "shagging Anna everywhere"... Also I never liked the part where Anna is forced to marry and lose her virginity... Kaidan's reaction hurt like hell and it really took away the romance from the entire situation... his proposal afterwards didn't come across as if he truly wanted to marry her... that was quite sad. So yep... really enjoyed Sweet Temptation. Still don't understand some of his actions, but I feel more... at peace... after reading their love story in his POV. I strongly recommend reading this book!

Von Jen R Sweet Temptation is a companion novel to the Sweet Trilogy. It is the the entire trilogy from Kai's point of view and condensed. I loved the original three books so I was super excited to get to see what Kai was thinking the whole time. If you haven't read the original three books you probably should. There are some time jumps, not everything is covered in this book, and I imagine it wouldn't be that good of a book if you read it as a stand alone. I think you would probably be confused at times. Really the other books are so good why wouldn't you want to read them first? Kai and Anna are so amazing together. I loved re-reading pieces of this story with Kai's voice in my head. I knew he had a hard time with things, but he is so sweet. He just wants to keep Anna safe even if that means pushing her away. He was great and I love spending any time I can with these characters. You don't see as much of Anna in this one since they did have such a long time apart. You really see how often Kai wanted to call her, how she changed him and made him want to be a better person. He has a lot of insecurities, but man it was great. It was fun read for me. I was reading at first all tense like what is happening? Will they be able to figure this out? Will Kai finally let Anna in?? And it is just like wait, I know what happens, calm down. It will all be okay in the end. Really a great addition to this series. Von Swakapo Sweet Temptation ist aus der (mnlichen) Perspektive von Kaidan Rowe geschrieben und ergnzt die Trilogie Sweet Evil. Als einzelner Roman wrde das Buch nicht funktionieren, weil man Sweet Evil gelesen haben muss, um es zu verstehen. Daher nur vier Sterne. Hat man aber die Trilogie gelesen, dann ist es wunderbar (fr alle, die gerne die Leerstellen fillen, die durch eine Ich-Erzhlung zwangsweise entstehen). Was Wendy Higgins wirklich groartig macht, ist die komprimierte Erzhlung. Wie schon in den ersten drei Bchern erzht sie nur das, was fr den Verlauf der Handlung wirklich notwendig ist. Die Trilogie ist hier auf einen Band reduziert und nur bestimmte Stellen werden durch Kaidans Perspektive ergnzt. Das funktioniert wirklich gut. Sie mhrt sich nicht aus, sondern pointiert. Mir gefllt das. Der innere Kampf Kaidans (fr und wider Anna) ist gut konstruiert und die eigene Luterung plausibel.

Kurzbeschreibung Bad boy Kaidan Rowe has never wanted for anything--money, popularity, musical talent...hot girls--but seducing them is part of his duty as a Nephilim, slave to the demon Dukes. As the son of the Duke of Lust, Kaidan has learned his father's ways, becoming a master of passion, a manipulator of chemistry. Disobeying his father would mean certain death. Thankfully for Kaidan, he's good at his job. And he enjoys it. Until he meets Anna Whitt--sweet, smart, feisty, and inexplicably good--the one girl seemingly immune to his charms. The daughter of a guardian angel and a fallen one, she has a certain power over him, one that makes him wish for more than he could ever deserve. Determined to save all the Neph from their dark lives as the influencers of sin, Anna joins forces with Kaidan to overcome the demons' oppressive ways. In the light of her affections, Kaidan must undergo his toughest test of all, a

battle of the heart. Sensual and swoon worthy, this companion volume to the acclaimed Sweet Evil series from New York Times bestselling author Wendy Higgins, told from the perspective of the irresistibly sexy and mysterious Kaidan Rowe, gives readers revealing insights into his struggle, his intense connection to Anna, and most of all, the true emotions that drive him. *Pressestimmen* Being in Kaidan Rowe's head is a dark and dangerous place full of pain and sensuality. A twisted journey you won't want to end! (Gena Showalter, New York Times bestselling author of the White Rabbit Chronicles) Edgy, raw, and addictive. Sweet Temptation is everything I hoped it would be, and more. (Nyrae Dawn, bestselling author of Charade) Kaidan's point of view is a thrilling, dark, seductive addition to the Sweet series. Readers are going to love this!
