Manchmal hat mir das Herz geblutet, aber ist das nicht gerade der Reiz? Ein wirklich schönes Ende - mal ohne "cliffhanger" und mit einem tollen Gefühl ein Buch abschließen können - das gibt es noch! Absolut lesenswert!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book von Elke B. This is a wonderful love story with a lot of obstacles to overcome. It shows how the need for financial security can sometimes destroy things that are worth so much more. At least, in this book there is a way back to happiness.

Kurzbeschreibung A USA TODAY bestselling contemporary romance about the complexities of love and self-discovery in the early post-college years. Mia Kelly thinks she has it all figured out. She's an Ivy League graduate, a classically trained pianist, and the beloved daughter of a sensible mother and offbeat father. Yet Mia has been stalling since graduation, torn between putting her business degree to use and exploring music, her true love. When her father unexpectedly dies, she decides to pick up the threads of his life while she figures out her own. Uprooting herself from Ann Arbor to New York City, Mia takes over her father's café, a treasured neighborhood institution that plays host to undiscovered musicians and artists. She's denied herself the thrilling and unpredictable life of a musician, but a chance encounter with Will, a sweet, gorgeous, and charming guitarist, offers her a glimpse of what could be. When Will becomes her friend and then her roommate, she does everything in her power to suppress her passions for him, for music, but her father's legacy slowly opens her heart to the possibility of something more. Pressestimmen "Sassy and sweet, Sweet Thing melts in your mouth and goes straight to your heart!" (New York Times bestselling author Katy Evans) 5 stars!!!! (A Bookish Escape) Sometimes out of all the books you read, you come across one that stands out amongst all the other titles. Sometimes, you read a book that completely overwhelms your mind, your heart, and your soul. An all-consuming read that totally captures your senses and puts them into overdrive but in the best possible way. There's just nothing better than the completely sated feeling you get from reading it. For me, that book was Renee Carlino's Sweet Thing.
