Von Nele Neuhaus : Swimming with Sharks before purchasing it in order to gauge whether or not it would be worth my time, and all praised Swimming with Sharks:

Kundenrezensionen Hilfreichste Kundenrezensionen 7 von 8 Kunden fanden die folgende Rezension hilfreich. Super spannender Thriller Von Dr. Germes-dohmen Sehr spannender Thriller im Wallstreet-Milieu. Das deutsche "Unter Haien" von Nele Neuhaus in englischer bersetzung. Trotz der Fachsprache aus dem Banken - und Finanzwesen sehr gut lesbar. Neuhaus schafft es, die Spannung bis zum Schluss zu halten, obwohl man schon recht frh wei, wer die "Guten", wer die "Bsen" sind. M.E. deutlich spannender als die auch nicht schlechten Bodenstein-Kirchhoff-Krimis.

Kann ich nur empfehlen, auch auf englisch (Kindle-Edition). 1 von 1 Kunden fanden die folgende Rezension hilfreich. A good book to read when you want to escape from reality. Von Mal White Great fun from an accomplished writer. A "page-turner". The ending was much better than most books from this genre can manage. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A real page turner! Von skinwalker Once started you won't lay the book aside. A thrilling story increasing from page to page! You'll get, what you expect: a romantic and also smart hero, the evil Mafia boss, good guys and bad boys, perfectly set up in New York City.

Kurzbeschreibung Ambitious, brilliant, and beautiful, Alex Sondheim is the undisputed star of Wall Street and she knows it. So it comes as no surprise when Levy Manhattan Investments taps her to take their prestigious firm to the next level. She can name her price, but can she live up to their expectations? Because behind the glittering facade of luxury offices, five-star dinners, and million-dollar investments hides the firm's true power player: a deadly criminal cartel. Caught up in a steamy relationship with handsome real-estate mogul Sergio Vitali, Alex is blind to the danger until an assassination attempt against the city's crusading mayor claims the lives of three innocent people. To protect the city's people and save herself, she'll have to put everything on the line: her job, her reputation and her life. A sleek Wall Street thriller pitting a brilliant young executive against a lethal underground, *Swimming with Sharks* breathes dangerous life into the cutthroat legacy of corporate banking.
