Luca is on a roll again!Von Renate ZiescheThis sequel was needed...after all Luca is a formidable character and her cop-girlfriend has her hands full..in this story Luca has taken on more than she knows she can handle, but then again it

wouldn't be "carefree" Luca if she would give this minor detail a thought! I hope you enjoy this book as much as I have.... Looking forward to Carsen's next book! 0 von 0 Kunden fanden die folgende Rezension hilfreich. love it! **Kurzbeschreibung** Bounty Hunter Luca Bennett's in a bind, which is nothing new, but this time it's her feelings, not a jumper, that's got her tangled in knots. She's finally decided she wants to be more than a friend with benefits to cop Jessica Chance, but when hot and dangerous attorney Ronnie Moreno returns to town, a new case and an old flame threaten to interfere. When the case puts her at odds with the entire police department, Jess included, Luca is forced to make a hard choice that could change her entire world. As the lines between right and wrong blur, she faces the biggest risks of her life. Luca loves to gamble, but the stakes have never been higher. Will she win big or will she lose everything?

**ber den Autor und weitere Mitwirkende** Carsen Taite is an avid reader and writer of lesbian fiction. Carsen works by day (and sometimes night) as a criminal defense attorney in Dallas, Texas. Though her day job is often stranger than fiction, she can't seem to get enough and spends much of her free time devouring novels, lesbian fiction in particular. Carsen is an active member of the GLBT community, participating in several organizations on both the local and state levels. Carsen is married (Canadian-style) and she and her spouse live near White Rock Lake in Dallas where they enjoy cycling and walking the trails with their fuzzy beasts.
