Lesen sehr bewegt und ich habe mit Ava und James gelitten. Zum Glück ist das Ende dafür um so schön. Ich habe das Buch bereits mehr als zweimal gelesen und das war bestimmt nicht das letzte Mal. Ich kann das Buch also definitiv weiterempfehlen!

Kurzbeschreibung Welcome to the world of Sydney Harbor Hospital (or SHH for short because secrets never stay hidden for long!) Treating her client's problems is what relationship guru Ava Carmichael does best, but no amount of therapy could fix her own barren marriage. Feeling utterly helpless, Ava pushed James away. But when he returns, grappling with issues of his own, suddenly it's time for Ava to take the advice she so passionately teaches and apply it to herself!

Sydney Harbor Hospital From saving lives to sizzling seduction, these doctors are the very best!
