Von Tad Williams : Tailchaser's Song (Daw Book Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tailchaser's Song (Daw Book Collectors):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. "Herr der Ringe" mit KatzenVon Holly ShortDer erste Roman des berhmten Fantasy-Autors Tad Williams, "Tailchaser's

Song" ist ein sehr gelungenes und liebenswertes Buch, welches besonders Katzenfreunde lieben werden. Die Geschichte dreht sich um den jungen roten Kater Fritti Tailchaser, der sich zwar gern von den Menschen fernhalten lässt, aber doch das Leben in Freiheit liebt: in einer Katzenwelt, die von Tad Williams auf wunderschöne, detaillierte Weise heraufbeschworen wird. Denn auch wenn Katzen eigentlich Einzelgänger sind, so haben sie doch ihren Treffpunkt bei der Meeting Wall, wo man miteinander plaudert, spielt und Lieder singt. Eines Abends fehlt Tailchasers gute Freundin Hushpad bei dem Treffen. Auch viele andere Katzen sind verschwunden - es tut sich Besseres in der Katzenwelt, aber noch kann es niemand benennen. Als Hushpad nach mehreren Tagen immer noch nicht zurück ist, macht sich Tailchaser auf die Suche nach ihr und erlebt in der Folge allerlei gefährliche Abenteuer... Ich habe die Odyssee dieser mutigen kleinen Katze verschlungen und sehr genossen: liebevoll zeichnet Williams die vielen Charaktere und das Katzenleben nach und erzählt eine spannende Geschichte über Freundschaft, Loyalität und - Gut und Böse. Manche Parallelen zu J.R.R. Tolkiens "Herr der Ringe" sind, glaubt man dem Vorwort Williams', nicht zufällig - einzelne Szenen hat er für "Tailchaser" parodisierend aufgegriffen. Außerdem kam es mir vor, als hätte auch Joanne Rowling das Buch einmal gelesen und in ihrer "Harry Potter"-Reihe weiterverarbeitet - aber das kann ja auch Zufall sein. :) Tatsache ist aber: "Tailchaser" ist eine aufregende und seine Geschichte für jung und alt. Besonders Katzenfans werden die Abenteuer des roten Fritti mit schwitzenden Händen lesen und sollten dieses Buch auf keinen Fall versäumen. 3 von 3 Kunden fanden die folgende Rezension hilfreich. For anyone who desires a thrilling and deep tale. Von Ein Kunde Although it has been almost ten years since I first read this book, I have never forgotten it, perhaps because I was only twelve at the time and picked it off the library shelf because I loved fantasy and cats, and the cover-art caught my eye. But there is more to this book than that, and I do not only realize this now. Tailchaser's Song took me to another world, a cat's world, whose different troubles and excitements, challenges and dreams let Williams' story come alive in a way it otherwise might not have. He is a unique and beautiful writer, with a style that is perfectly suited to this type of fairytale story. The characters are wonderfully drawn, the setting is lush and realistic, and the things the story have to teach us, immense. For all this, however, Tailchaser's Song is not a book I would recommend letting a twelve year-old read; it has extremely dark elements, disturbing scenes and events. Although it was exactly this which I believe makes Williams' story powerful, it is also the reason it stands out in my mind. For adults this very darkness may hinder taking Tailchaser's Song seriously, and so it seems I am advocating it for the pre-teen crowd, but only those who will appreciate its value. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Precursor to Memory, Sorrow, and Thorn - still good Von J White I read Tad Williams' Memory Sorrow and Thorn trilogy years before reading Tailchaser's Song, and was continually struck at how much of what he did in Tailchaser was reused in Memory Sorrow and Thorn. They are different stories, yet it is neat to see how the author has continued to develop some of his earlier ideas and worked them into a greater piece as his skills improve. More specific to this novel, Tailchaser's Song is a wonderful tale of adventure and coming into one's own. The personal ethics expressed in this story are rather unique in the fantasy world. The values are real and are not based on some extraordinary gift of the character (which typically separates the reader from the character), but on a choice and dedication to what is right. Williams does a wonderful job of spinning this tale and keeping interest. Parts of it are predictable, but there are few (if any) let downs. The most impressive feature of the book, and what really makes it stand out, is the perspective. The main character is a cat, and the whole world is cleverly shown through a cat's eyes. It is very believable, and makes you look at your own pet differently -- with more respect, even. This is a great book for anyone who likes adventure or fantasy stories. Tad Williams fans will feel at home, and cat lovers will delight in the telling of the tale.

Kurzbeschreibung Fifteen years ago, a young author surprised and enchanted readers with his first novel the story of Fritti Tailchaser, a courageous tom cat in a world of whiskery heroes and villains, of feline gods and strange, furless creatures called M'an. The book was Tailchaser's Song, the author was Tad Williams. The legend was born. Pressestimmen 'Readers who enjoy Neil Gaiman's Neverwhere, Kate Griffin's A Madness of Angels, Jim Butcher's Dresden Files will most likely be as entertained as I was... Highly recommended.' * SFF World * 'A very promising start to an exciting new series from one of our greatest modern F/SF authors.' * Geek Syndicate * 'This is urban fantasy at its best.' * EpicBooks * 'Tad Williams' ... famous four-book trilogy was one of the things that inspired me to write my own seven-book trilogy. [I] said, "My god, they can do something with this form," and it's Tad doing it.' * George R.R. Martin * Praise for THE DIRTY STREETS OF HEAVEN: 'When I heard that Tad Williams was writing an urban fantasy novel, I got all tingly. Now I've read it, and it's even better than I'd dared to hope. It's snarky, fast-paced, and above all, original. You should be tingly, too.' * Patrick Rothfuss * Kurzbeschreibung Fifteen years ago, a young author surprised and enchanted readers with his first novel the story of Fritti Tailchaser, a courageous tom cat in a world of whiskery heroes and villains, of feline gods and strange, furless creatures called M'an.
