**Von Joann I Martin Sowles : Tainted Blood (The Brookehaven Vampires #3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tainted Blood (The Brookehaven Vampires #3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. love itVon AnelavaAs I bought the first book "Laney" in the Brookehaven Vampires Series I didn't expect it to be that good, but now it's one of my favorite series. The only minus you have to wait about one year or so for the next book to come out.Tainted Blood is darker and more thrilling than the first two books. Kiera and Carter get together, but Laney

and Oliver seem to fall apart. First, there is the problem of Laney and Carter's friendship, then Oliver himself changes drastically, which brings his girl in danger. We also have new characters to appear (hello Angel boys) and old enemies to come back (yep, Oscar is not only back but much nearer this time). And to top it all some supernatural guys together with Avery and Ashton are not fond of vamps roaming the town and plan to get rid of them. So yep, the story is definitely exciting and trilling, keeps you on edge all the time. An amazing and captivating book-- a must-read!

Kurzbeschreibung Tainted Blood is the third installment in The Brookehaven Vampires series: Laney's life is suddenly tangled by deceit, and as she tries to pull her past, present, and future together, she finds herself and her friends fighting for their lives. Thrown into the midst of a conflict that has been brewing for centuries a conflict that no mere human should be anywhere near Laney and her friends will discover that the mythical creatures of lore are not so mythical after all. As Carter and Kieras relationship moves forward, Laney and Oliver's becomes strained, confusing, dangerous. Laney would have never thought Oliver was capable of causing such pain, such heartache, such fear. When he becomes a danger to everyone they know, especially her, Laney must make the choice to save herself, or those she loves. As if this weren't enough, a visit from Oliver's brother could bring Laney's life to a tragic end. Tainted Blood The Brookehaven Vampires, Book 3. YA, Paranormal Romance. 18+
