Von Nina Crespo : Take Me if You Dare (A Birthday Dare Novella) before purchasing it in order to gage whether or not it would be worth my time, and all praised Take Me if You Dare (A Birthday Dare Novella):

Kurzbeschreibung A sexy category romance from Entangled's Brazen imprint One decadent dare, one steamy night It's been a year since Jasmine Stewart dumped her cheating ex, so when her best friend dares her to have a one-night stand during a business trip to Miami, Jasmine is all in. But just as she hits her cheesy-come-ons limit, a wickedly hot former soldier comes to her rescue. Security specialist Ethan Worth's instincts tell him the gorgeous woman at the bar is trouble. After a sexy dance and even sexier kiss, he knows she is. But when their scintillating night leads to more, the possibility of another long distance relationship sends Jasmine running for the door. Until the unthinkable happens. Jasmine's company assigns her to Bode-Wynn, the military security firm where Ethan works. Forced back together, the undeniable heat between them flares to life. But sex is all it can ever be, because taking it further goes against everything Jasmine wants and everything Ethan fears.
