Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Take me Von Mic So the story line was good and also the main characters have great potential, but the implementation

foremost at the end was not all that good in my opinion. Also I did not like the turn of..."oh yeah now I want her and everybody can know it, because that will make a perfect impression to win the election...so no, did not like it....but then there was the chemistry between the two and also the whole will they get over all the obstacles to get together.....but otherwise...it was ok, but not one of my favourite stories.0 von 1 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung From a USA TODAY Bestselling Author comes the first book in the suspenseful, erotic romance series: The Untouchables. In these woven novels, the illustrious royal vampire family, the Blackmoores, meet their new mates who come in unexpected forms. HE CAN'T KEEP HIS HANDS OFF HER...BUT HE CAN'T HAVE HER...When Dominic Blackmoore mistakes Felicity Shaw as the mate he's supposed to marry, he can't resist the curvy, sexy woman. As the head of the Blackmoore household running for vampire and werewolf council, he needs a suitable mate--a mate with money, power, and clout. And a wedding planner just won't do the trick--even though she keeps his heart racing and his body begging for more. Felicity needs work--and the Blackmoore wedding is the Holy Grail of events. She has to keep her mind on the game--and her hands off the groom. Easier said than done. The pull and connection Felicity and Dom feel for one another trumps all political propaganda. And when one terrible and irreparable lie seals both of their fates, everything they've worked for is threatened. Now, they're both in the race of their lives. Read the series today! Close Encounters of the Night Kindber den Autor und weitere Mitwirkende I love to write the kind of stories that will keep you up late at night and make your heart pound. Its my goal in writing to make each new book better, more exciting, more action-packed, not only to test myself as a writer but to keep thrilling you. Im always trying to push the boundaries with my imagination, and yours, to create something new and different. If youre a fan of paranormal romance novels then youll love my Bellum Sisters Trilogy. This isnt your typical romance story, so be prepared for a kick of heat and tons of action. The Bellum Sisters Trilogy has received excellent reviews from paranormal bloggers and two of the three books are Top Picks from Night Owl s. Now, if you like shorter books with quite a bit of heat, humor, and action then Id recommend the Kategan Alphas series. This erotic series features the sexy Kategan family and all the lucky men and women who get to meet them and complete their lives.
