Beautiful and bittersweet storyVon Romanaabout two guys maching each other perfectly in their different ways of sympathetic crazyness.From the moment they first set eyes on each other- Jake, a young and successful photographer and creative, bigmouthed Aaron, desperate and impulsive enough to take the job of assistent, offered by the

photographer without even interviewing him first- they become best friends and their worlds shift. Each man becoming the focus of the other. Not a day goes by without playful and witty quarrels between them. They are a crazy loving couple and no intruding boyfriend is able to separate them. Only they themselves have the power to make each other miserable. I found it really exciting and funny to watch them interact until they finally claim what they wanted all along, without realizing it themselves.

Kurzbeschreibung Aaron has no idea what he's walking into when he shows up to pose for a famous and famously bad-tempered photographer. He certainly doesn't expect to end up working as Jake's assistant for five frustrating, thrilling, and crazy years instead of in front of the camera. It all works until Jake realizes Aaron has become the focus of his life, a life that's threatened when Aaron actually leaves him to start a relationship with someone else. Though it breaks his heart, Jake realizes he has to set his beloved muse free to have any chance of winning Aaron back.
