**Von Agatha Christie : Taken At The Flood (Poirot) (Hercule Poirot Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Taken At The Flood (Poirot) (Hercule Poirot Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Good serviceVon Chen Joo ChangThe delivery was quick. The book was almost new, that's a pleasant surprise, for the low price I bought it.1 von 2 Kunden fanden die folgende Rezension hilfreich. Rezension Taken at the FloodVon anonymousEin sehr spannender und mitreiender Fall von Hercule Poirot. Der wunderbare Humor Agatha Christies ist

im englischen Original einfach fabelhaft und macht diesen Krimi besonders charmant. Sehr empfehlenswert für alle Poirot-Fans, die eine intelligente Handlung und interessante Charaktere zu schätzen wissen. #Taken at the Flood (Hercule Poirot) 0 von 3 Kunden fanden die folgende Rezension hilfreich. Not my favourite Christie Von Mark Christie's books are normally excellent, but I felt that this one was made up as it was written, and the strands of the mystery didn't tie in particularly convincingly. I would recommend Death on the Nile.

Kurzbeschreibung A man returns from the dead, and the body of a mysterious stranger is found in his room A few weeks after marrying an attractive young widow, Gordon Cloade is tragically killed by a bomb blast in the London blitz. Overnight, the former Mrs Underhay finds herself in sole possession of the Cloade family fortune. Shortly afterwards, Hercule Poirot receives a visit from the dead man's sister-in-law who claims she has been warned by spirits that Mrs Underhay's first husband is still alive. Poirot has his suspicions when he is asked to find a missing person guided only by the spirit world. Yet what mystifies Poirot most is the woman's true motive for approaching him From Publishers Weekly Hercule Poirot fans will be pleased to hear Hugh Fraser, who plays Captain Hastings on PBS's Mystery! and AE's Poirot, recount Christie's intriguing 1948 novel (published in the U.S. as There Is a Tide). The celebrated Belgian sleuth visits the sleepy English village of Warmesley Vale to check into the background of Gordon Cloade, supposedly a victim of the London Blitz. He had wed an attractive young widow, the former Mrs. Underhay, now the sole possessor of the Cloade family fortune. The deceased's sister-in-law told Poirot that "spirits" informed her that the widow's first husband is still among the living, raising suspicions about Cloade's demise. Fraser's tone at once reassures listeners that, just as on television, they are in capable hands. He does a fine job creating a variety of character voices, distinguishing one from another with clarity but without excessive flamboyance. The release of any Christie is an event, and it does not take an abundance of "little gray cells" to deduce that this audio will be well-received.
