Irgendwie typisch, aber sehr gut geschrieben Von MartaG Wer noch nicht unbedingt genug von den typischen Romance-Geschichten hat, sollte das Buch mgen. Einige Szenen verdienen 5 Sterne, die anderen waren so "american" und fast schon irritierend, aber das waren seltene Momente. Im Groen und Ganzen ein Tolles Buch :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not an original scenario but well told Von Avid Reader As a veteran romance reader I found the scenario - revenge, false suspicion, etc. - too familiar from a plethora of category romances, and I deplore the current tendency to cast billionaires as heros, but I nevertheless enjoyed the book, and am thinking of buying the sequels. I liked the heroine's being ethnically Chinese and having problems integrating into her adoptive WASP family, though I doubt these problems (think "evil stepmother") are typical.

Kurzbeschreibung Revenge is sweet... Self-made billionaire Alex Damon wants his pound of flesh from the people who ripped his family apart. When he discovers his enemies' daughter is working at his company -- and most likely spying for them--he decides to start his revenge by seducing her. Natalie Hall is stunned at the personal interest from the CEO of her company. Vulnerable, with an already bruised heart, she wants to avoid any involvement--but she can't deny the desire he arouses in her....but passion is sweeter... What should've been a straightforward eye-for-an-eye starts to unravel as Natalie's unflinching loyalty and kindness begin to thaw Alex's cold intent. But caring for her is unthinkable...since he plans to use everything in his power to ruin her family and everyone else she holds dear. NOTE: Previously published as Vengeful in Love.
