Whose Evil Whose Not?Von Ingrid Stephanie Jordan5 Stars Title: Taken by StormImmortals Book IIAuthor: LJ VickeryReviewer: Stephanie Jordan#Paranormal #Gods #HotSteamySexWell I received Taken by Storm Book 2 after I finished Rock Hard Book 1. I just had to keep read on, I'm addicted. What an appropriate name for this book, because that is exactly how I feel. The first book was remarkable keeping you on pins and needles, than Oooooooo

Ms. LJ Vickery did the most miraculous job writing this story, each page flows thru to the next and I can't put it down. There's a battle coming the secret puritan society then you got Nergal and Erra and the 13 Gods. All Lenore Crest has ever been told her whole life was that the 13 Gods were very evil so she fought them. Then Anshar literally fell out of the Sky right smack dab in front of Lenore and she tranquilizer gun aimed at him and shoot. Yet Lenore kept thinking of his body there seemed to be a pull toward Anshar. How could that be? Anshar took one look at Lenore and knew who she was, yet he keeps it a secret. He has to protect her. Dagon is a God and Anshar is the God of the Sky plus their cousins. Is that a secret too? I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung Anshar is god of the sky...but he's also something much more dangerous. Terrified for the safety of the woman he would call his own, he denies his attraction to keep her safe and the monster inside of him at bay. A battle is coming between the gods of the Blue Hills and the puritans who would destroy his kind before the gods can find their Chosenmortals who are not just mates, but who can make the gods corporeal once more. Lenore Crest is drawn to the taciturn god against her better judgment and in spite of the hateful lessons she's always been taught about his kind by the leader of a secret puritan society. Opening her heart to Anshar would be a betrayal to her people, and loving him could put everyone in danger. Can their relationship survive in spite of his secrets and her misplaced allegiances?
