**Von Sarah Kent : Taken by the Lady Boss: Erotica Short Stories of Dominant Women (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Taken by the Lady Boss: Erotica Short Stories of Dominant Women (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Nette Idee, leider zu kurz Von Ivy Der junge, arbeitslose und sehr auf einen Job angewiesene Tom bekommt in der Firma der dominanten Selfmadewoman Linda einen Job und muss sich ihren Anforderungen und Wnschen beugen, wenn er seinen Job nicht verlieren will... Das englischsprachige eBook von Sarah Kent ist in eher einfacher Sprache angenehm und leicht zu lesen, die Geschichte ist schlssig und nachvollziehbar und bietet der kleinen, aber sehr erotisch

formulierten Sequenz einen angemessenen Rahmen. Aus der Idee an sich hätte sich sicher noch sehr viel mehr machen lassen können, die Autorin kommt hier leider sehr schnell zum Ende. Ich habe das Buch in einer Gratisaktion ergattert - der Kauf hätte mich doch sehr gereut, für die Länge der Geschichte ist der Preis zu hoch angesetzt. Das Ende des Buch besteht zudem aus neun Abdrucken der anderen Cover der Autorin, was die Seitenzahl nochmals deutlich einschränkt, dafür sind diese wenigstens hübsch anzusehen.

Kurzbeschreibung **BEWARE:** This is an erotic TALE about a man who is forced to give in to the wild desires of his Lady Boss, in order to save his job. If you don't like short stories or erotica, you might find this book inappropriate: on the other hand if you enjoy short and spicy stories you will find this book to be a red hot read. ~ ~ ~ ~ ~  
~**SUMMARY:** Tom is plain broke and his new found job is his last hope to keep the creditors away. But to his dismay he discovers that his new job is not as rosy as he imagined. Tom has to report to Linda, a lady-slave-driver of a boss who only gets delight from torturing and pulverizing people under her. Tom is forced to do just about anything to hold on to this job and that includes giving physical comfort to the lady boss. Go on a wild run of passion, fantasy and fetish with the latest erotic offering from Sarah Kent. ~ ~ ~ ~ ~  
~**READER ADVISORY:** This story contains content that many readers may find to be inappropriate, including spanking, exhibitionism and extended orgasms. If you have a problem with quick orgasms, do not read this book in a public place. Length: 6000 words, 22 pages - **SHORT EROTIC STORY** ~ ~ ~ ~ ~  
~**About the Book's Genre:** Many readers wonder which category this book falls under. Does it fall into the Erotica category, erotica for women, erotica for men, Erotica short stories, Free erotica, Erotica taboo, Erotica romance, Erotica for women, Erotica ménage, Free erotica kindle books, Gay erotica, Lesbian erotica or erotica novels category? Some readers think this book would best fit the erotica short stories category, erotica fantasy category, erotica for couples category or the erotica bedtime stories category. Well, my answer is that this book defies all these categories and is a genre of its own. If you have another opinion, you are free to express that as a review or comment.
