The history that it involves is great. Living through the history through the eyes of Morgan and Luca made me want to learn more about their lives after the book was over. It was like living the love and heartache and joys they were going through. This book is a must read.0 von 0 Kunden fanden die folgende Rezension hilfreich. The story is good but ...Von Bookworm.... the Kindle editon is

nightmare to read. It seems as if the book was revised using the find and replace function in word or a poor transcript of a tape was made as I have never seen so many typing errors in one book. This made reading quite unpleasant as the reader has to guess the contents sometimes rather than comprehend it by reading the story. Other than that the story is fine but had probably one or two turns too much in the end. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A REALLY HOT, SPICY AND SULTRY NOVEL! Von Ein Kunde I really enjoyed reading this book. One thing I could describe about this book is engrossingly entertaining!!!

Kurzbeschreibung A Plundering Pirate English nobleman Morgan Scott pillaged the high seas, seeking revenge for his brutal five-year captivity upon a Spanish ship. When he and his crew attacked the Santa Cruz, he saw the perfect opportunity: an innocent Spanish nun whose body he could ravage to spite her people. But Morgan soon found himself torn between this act of vengeance and the passion incited by her smoldering eyes and fiery spirit. A Curious Captive Recently snatched from the safety of a convent, Luca Santiagos heart sank as she sailed to an arranged marriage, and her situation was not improved with a sudden pirate attack, or the crews threats of bodily harm. But even as she feared her fate at the hands of the powerful privateer, Luca fought the overwhelming feelings of desire he inspired with his sparking eyes and muscular contours. She might be posing as a nun, but the heated emotions she felt in his strong arms were anything but pious, burning away the anger between them, until she longed to be taken by him.
