YA Trilogy! Von Filerimos Normally I would avoid stories about aliens, but I've to admit that I was very surprised how much I enjoyed the characters and the story. I liked The Ravening Series more than the Twilight Series and read all of them in three days. It was something different to read. I recommend this series highly! This novel is part of the ravening series: #1 Ravenous #2 Taken over #3 Reclamation.

Kurzbeschreibung Edited by Leslie Mitchell at G2 Freelance Editing and rereleased 1/21/14. Devastated by the loss of Cade and struggling to survive in a world I no longer know, I'm determined to exact revenge upon the aliens that have shredded my life, and the lives of my family and friends. Presented with an opportunity to uncover the secret that Dr. Bishop feels my blood holds, I strike out on a mission with a small group of fellow survivors. We're determined to gather the supplies necessary to discover what help I may be for humanity. Though I'm haunted by memories of those I've lost, I refuse to give up hope that one day we might be able to regain some semblance of our former lives. Chances of that are looking smaller and smaller as we're confronted with new, and even deadlier creatures looking for only one thing; the destruction of the human race. Recommended reading order of the complete Ravening Series: Ravenous (Book 1) Taken Over (Book 2) Reclamation (Book 3) Young Adult. This book contains some language, violence, and sexual situations. Recommended for ages sixteen and up. Cover art by EbookLaunch

ber den Autor und weitere Mitwirkende Though my name is not really Erica Stevens, it is a pen name that I chose in memory of two amazing friends lost too soon, I do however live in Mass with my wonderful husband and our fish Sam, Woody, Hawk eye, Klinger, and Radar. I have a large and crazy family that I fit in well with. I am thankful every day for the love and laughter they have brought to my life. I have always loved to write and am an avid reader.
