Von Dee Henderson : Taken before purchasing it in order to gage whether or not it would be worth my time, and all praised Taken:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it but dissappointed - Not really a stand aloneVon AgnieszkaI liked this books very much even though it's so much different than the other Dee Henderson novels. In my eyes it's more a suspensfull drama (with a tiny romantic touch) than a real romantic suspense novel because it's dealing more with the Shannon's issues to re-enter a 'normal' life after

a kidnapping and spending almost the entire adult life among her captors. Being pretty new to this author I don't have so many expectations compared to the readers following Dee Henderson's different Christian romantic suspense novels. Perhaps that's the reason I could enjoy the book for what it is: a very good story with great characters and nice balance between character development and flow of events. Also the way the values and principles of living (in our society) anchored in the story were clear but not too blunt. All in all as all the works I read up to date a great book I could recommend without any second thought. Before I started to read this book my Kindle-App showed there are characters from *Full Disclosure* and *Unspoken* mentioned in this one. I was concerned about spoilers and contacted the author to check if this is really a stand alone which she confirmed. So I was really disappointed to find out that it contains spoilers. They are not really dramatic you learn that the protagonist from the both books are married by now which doesn't appear expected but would be kind of natural within a series but I still hate spoilers of any kind. There are as well some references to the events in these books you can't really enjoy without knowing the entire story line. The other point I struggled with I had the feeling the end and the pace of the relationship how it developed was too rushed for my taste.

Kurzbeschreibung An investigator who knows tragic loss firsthand, and his new client, missing far too long... Abducted at the age of sixteen and coerced into assisting the Jacoby crime family, Shannon Bliss has finally found a way out. She desperately wants to resume some semblance of normal life, but she also knows she has some unfinished business to attend to. She might have enough evidence to put her captors behind bars for a very long time. When Shannon contacts private investigator Matthew Dane, a former cop, to help her navigate her reentry into society, he quickly discovers that gaining her freedom doesn't mean her troubles are over. If the Jacoby family learns she is still alive, they'll stop at nothing to silence her. If justice is to be done, and if Shannon's life is ever to get on track again, Matthew will need to discover exactly what happened to her--even if it means stirring up a hornet's nest of secrets.

Buchrückseite A Compelling New Mystery from Dee Henderson! Abducted at the age of sixteen and coerced into assisting the Jacoby crime family, Shannon Bliss has finally found a way out. She desperately wants to resume some semblance of normal life, but she also knows she has some unfinished business to attend to. She has enough evidence to put her captors behind bars for a very long time. When Shannon contacts private investigator and former cop Matthew Dane to help her navigate her reentry into society, she quickly discovers that gaining her freedom doesn't mean her troubles are over. For one thing, her brother is the leading candidate in the race for Illinois governor, and news of her escape will create a media frenzy. For another, the ransom her family reportedly paid years earlier appears to have been a scam; no one knows what happened to the money. And then there's the fact that Shannon's escape involved faking her own death. If the Jacoby family learns she is still alive, they'll stop at nothing to silence her. If justice is to be done, and if Shannon's life is ever to get on track again, Matthew will need to discover exactly what happened to her--even if it means stirring up a hornet's nest of secrets.
