Kurzbeschreibung A reckless sacrifice to protect a family legacy... Sarah Kidnapped. Imprisoned. Ravished. When tragedy stole my family, my father's will mandated my future. I didn't inherit Atwood Industries. I became the only one capable of protecting it. Atwood Industries belongs only to a male heir, my heir. And my enemies my own step-brothers will stop at nothing to create a shared bloodline. But they've made a mistake, and they'll forever regret trying to control me. Nicholas Damned. Destroyed. Enthralled. My family's livelihood depended on acquiring the rival Atwood Industries and seizing the innocent woman bound within its terms of succession. I never expected such a challenge from my step-sister. I never thought I'd betray my own blood to protect her from the nightmare we began. But if I don't stop her, the woman I'm forbidden to love will sacrifice herself to tear apart my billion-dollar empire... The Complete Legacy Series is now available - Takeover (Book #1), Controlling Interests (Book #2), and Capital Risk (Book #3)! Note: This novel is a dark romance which will include themes of captivity, abuse, and sexual encounters with multiple partners. The story may be uncomfortable for certain readers. However, the series will feature a Happily Ever After and will not include themes of cheating/adultery.

ber den Autor und weitere Mitwirkende Lana Grayson was born to write anything and everything to do with romance. Her favorite genres range from the dark and twisty to the lighthearted and sentimental--as long as the characters are memorable, the story is fun, and the romance is steamy. Lana lives in Pittsburgh with her husband, and, when she isn't bundled in her writing chair, she's most likely cheering on the Steelers or searching for the 'Burgh's best Italian restaurants.
