Inhalt zu verraten. Micah und Emily sind beste Freundinnen und unzertrennlich seit ihrem ersten Schultag. Inzwischen sind sie 18 und im letzten High School Jahr. Die Freundschaft beginnt kompliziert zu werden, als Micah Emily gesteht, dass sie für die neue Mitschlerin Casey mehr als freundschaftliche Gefühle entwickelt. Emily ermutigt Micah dazu, sich mit Casey einzulassen, verschweigt ihr aber ihre eigenen lesbischen Neigungen. Als Micah durch ein Ereignis davon Kenntnis erhält, ist sie tief gekränkt über Emilys Geheimnistuerei. Entscheidet sich Micah für Casey, können Micah und Emily ihre Freundschaft reparieren oder ist zwischen den beiden sogar mehr als Freundschaft im Spiel? Das ist alles sehr nett und liebevoll erzählt. Eine wohltuende Lektüre für das Herz. Es gibt auch zwei Sexszenen. Alles in allem eine unterhaltsame Lektüre mit Gefühl. Im Gegensatz zu anderen Ebooks dieser Preisklasse keine Grammatik- oder sprachliche Fehler.

Kurzbeschreibung Micah Williams is eighteen years old when a single kiss forces her to question everything she knows about friendship, love, and herself. Micah has never before doubted who she is until she meets Casey, the new student in her English class. Under the guise of friendship, Casey quickly proves to Micah that they have a lot more in common than Micah could have ever imagined. Now Micah must come to terms with her sexuality and her fears that her family and childhood best friend, Emily, will ostracize her. Throughout the process of revealing her true identity, Micah finds herself testing the boundaries of her closest relationships. During this journey, she discovers the meaning of loyalty, bravery, and love. **Taking the Lead** is a story about the secrets we have, the lies we tell to maintain the false pretense that we are safer when hidden, and that all revelations affect not only ourselves, but also the people around us. It is a story about self-acceptance, tolerance, forgiveness, and love. **Kurzbeschreibung** Micah Williams is eighteen years old when a single kiss forces her to question everything she knows about friendship, love, and herself. As an adolescent, Michele spent many fruitless hours at the local library seeking validation of her sexual identity. With no books to normalize her romantic feelings for other girls, Michele developed a personal mission: create the story that hadn't been there for her.
