Von Sheila Norton : Tales From A Hen Weekend (Tales from Trilogy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tales From A Hen Weekend (Tales from Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Unterhaltsam, leicht und amasant Von Mina-Vianne Ich habe mir dieses Buch gekauft, um mein Englisch für einen Auslandsaufenthalt zu verbessern. Mir war besonders wichtig, eine englische Schriftstellerin zu wählen. Wie auch immer, dieses Buch ist wattleicht und wundervoll zu lesen, extrem amasant und trivial mit Enthüllungen gehetzter Geheimnisse im Familien- und Freundeskreis, die dann zum Ende hin doch ein wenig berstrapaziert und sehr "hanebchen" wirken. Wer aber weniger Wert auf den Wahrheitsgehalt denn umso mehr auf ein Buch mit echter Sprache vermeintlich echter Menschen (Olivia hat angeblich in Pubs "studiert") legt, kommt mit den Tales from a Hen Weekend voll auf seine Kosten!

Kurzbeschreibung This book is written by author Sheila Norton under the pseudonym of Olivia Ryan. Katie Halliday's off on her hen weekend to Dublin with her closest female friends and relatives. She's hoping to relax, unwind, and try to forget the recent bickering with her fiancé Matt. But, encouraged by the alcohol and girly banter, the other girls all choose this time to make some disturbing confessions about their own lives. This series of shocks is bad enough for Katie to take on board, without the burden of keeping a shocking secret of her own. And it doesn't help that she's a little too attracted to gorgeous-looking Harry Cornwell, who's been found by the girls as a trophy for one of their hen-party games. But it won't lead to anything after all, Katie's in love with Matt isn't she? Katie begins to feel that she doesn't actually know herself, any more than she knew her mum, her sister, or her best girlfriends. A hen weekend isn't exactly the time to discover your world's falling apart. But it might be the time to start putting it back together. Pressestimmen* 'An enjoyable, witty read' Katie Fforde * 'Lovely, a potent, poignant pleasure' Judy Astley Kurzbeschreibung This book is written by author Sheila Norton under the pseudonym of Olivia Ryan.
