Von Charles Bukowski : Tales of Ordinary Madness before purchasing it in order to gage whether or not it would be worth my time, and all praised Tales of Ordinary Madness:

away as a gift. The problem is that HALF of the book is missing and is sold separately, wtf? Gee, thanks a lot City Lights Publishing Co.!

I haven't gotten a review from her yet, but if she likes it, I just may marry her. This is the best of all of Bukowski's great works. The words are so powerful and prophetic they have driven me to drink on several occasions. This book illustrates Bukowski in his best medium, the short story. A .45 To Pay the Rent is beautiful, and Animal Crackers in my Soup blew me away. READ THIS BOOK!

Read the 1st paragraph of "I Shot a Man in Reno" 4 a summary Von Shasta Highly recommended for those who appreciate irony and a sick sense of humor. Erections, Ejaculations, Exhibitions and General Tales of Ordinary Madness was the original title, and more accurately describes the content than does its current truncated version.

Kurzbeschreibung With Bukowski, the votes are still coming in. There seems to be no middle ground people seem either to love him or hate him. Tales of his own life and doings are as wild and weird as the very stories he writes. In a sense, Bukowski was a legend in his time . . . a madman, a recluse, a lover . . . tender, vicious . . . never the same . . . these are exceptional stories that come pounding out of his violent and depraved life . . . horrible and holy, you cannot read them and ever come away the same again. Bukowski . . . "a professional disturber of the peace . . . laureate of Los Angeles netherworld [writes with] crazy romantic insistence that losers are less phony than winners, and with an angry compassion for the lost." Jack Kroll, Newsweek "Bukowski's poems are extraordinarily vivid and often bitterly funny observations of people living on the very edge of oblivion. His poetry, in all its glorious simplicity, was accessible the way poetry seldom is a testament to his genius." Nick Burton, PIF Magazine Charles Bukowski (1920-1994) published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first book of poetry was published in 1959; he went on to publish more than forty-five books of poetry and prose, including books published by City Lights Publishers such as Notes of a Dirty Old Man, More Notes of a Dirty Old Man, The Most Beautiful Woman in Town, Tales of Ordinary Madness, Portions from a Wine-Stained Notebook, Absence of the Hero and The Bell Tolls for No One,.
