Von J P Murphy : Tales of the Siana: Fragments (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tales of the Siana: Fragments (English Edition):

KurzbeschreibungThree tales from the cycle of the Chronicles of the Siana, translated from the original languages and with editors' notes. "A fascinating insight into a world now lost to us, but brought vividly to life in the words of early

writers and in scholarly insights." - Humorim Master den Steen, Revensberg. Kurzbeschreibung Three tales from the cycle of the Chronicles of the Siana, translated from the original languages and with editors' notes. "A fascinating insight into a world now lost to us, but brought vividly to life in the words of early writers and in scholarly insights." - Humorim Master den Steen, Revensberg.
