Von Mary Kay McComas : Talk of the Town (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Talk of the Town (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Small town distractions Von Kindle Junkie Rose's insecurity and low self-esteem - due in part to her position as a single mom with a less than rosey childhood - nearly destroys her chance for HEA with very patient and persistant Gary Albright. A nice and entertaining story, both Rose's son and grandfather help provide a bit of comic relief beyond the main characters. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not your average love story Von ClaudiH It was clear right from the beginning that this was not chick lit, but a proper romance/love story. All characters seemed to be normal/average people who have both feet firmly on the ground (compared to an average chick lit book where the

heroine works for a glossy magazine and waits for a rich guy to marry her). These characters had depth and were likeable, you can very likely relate to most of their problems, and you feel like you wouldn't mind living in their little village with them. A very well edited book, too, which earned it an extra star. 0 von 0 Kunden fanden die folgende Rezension hilfreich. NettVon sommersonneGeschichte relativ vorhersehbar, aber nett. Ich hab's mir runtergeladen, um mit dem Englischen auf dem Laufenden zu bleiben - und dafr ist es hervorragend.

KurzbeschreibungRosemary Wickum treasures her finds at the recycling centerpieces perfect for her metal sculptures. Focused on her art, and her work as a waitress to support her father and teenaged son, Rosemary becomes the talk of the town when Gary Albright, the handsome owner of the recycling center, begins pursuing her in earnest. With the whole town rooting them on, Rosemary and Gary find a shared love in creating things of beauty from waste, a common ground on which to build a relationship based in trust, honesty, and love. From New York Times bestselling author Mary Kay McComas, TALK OF THE TOWN was originally published as part of Bantam Dells Loveswept line. "It is a rare author who can weave together irresistible characters, emotional heartache, wacky humor and social consciousness all within one superb romance. Rarer still is one who can do with such exquisite style. Brava, Mary Kay McComas!" ~ Linda Anselmi, ROMANTIC TIMES 1995 SERIES ROMANCE OF THE YEAR RT Times Award Winner
