Von Jan Freed : Talk To Me (Mills Boon Vintage Superromance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Talk To Me (Mills Boon Vintage Superromance):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Once Again I'm More Than ImpressedVon Ein KundeI have been reading Jan Freed since her first title and have been

enthusiastic about all her new releases since. Talk To Me was no exception. I found it as soon as it hit the stands and read it in one sitting. (Which is how I tend to read all her work, I can't put it down) She pits a divorced couple against one another after a 9 year separation....they've both grown up and they learn to accept some truths about themselves and each other. It's a realistic look at couples in any relationship, young, old, new or well worn. I'm ready to have my husband take a look...it opens a new line of communication for it's character's, that's for certain. This book also visits the relationships between family as well. The pressures brought to bear by "well meaning" individuals and their subsequent consequences. It's also a fun read....I'm always well entertained with Ms. Freed's writing. She has me running a gamut of emotions....laughter topping the list. There is a scene near the end of the story that had me laughing so hard I was near tears. I have no qualms in recommending this book to anyone...it's absolutely on my list of keepers.....right there with all her other titles!

KurzbeschreibungBy the Year 2000: CELEBRATE!What have you resolved to do by the year 2000?Talk! Pillow talk. Small talk.Double talk. Baby talk. Can we talk?Kara Taylor has a few questions when it comes to men. Why won't they talk about their feelings? Why can't they admit they're wrong? And what is it about The Three Stooges?Travis Malloy has some things he'd like to know, too. Why do women go on about emotions? Can't they see that actions speak louder than words? And since when is shopping a sport?Maybe if they'd had some answers nine years ago, their marriage wouldn't have ended in disaster on their first anniversary. Sure, Kara and Travis were crazy about each other, but that wasn't enough. They were mismatched from the start.They still are. But now it's time for Kara and Travis to start talkingbecause everything's at stake if they don't.KurzbeschreibungBy the Year 2000: CELEBRATE!What have you resolved to do by the year 2000?Talk!
