NettVon CustomerEine nette Geschichte ber - wenn man es genau nimmt - 2 verletzte Seelen, die sich finden. Natrlich mssen sie vorher noch einige Wirren und Missverstndnisse aus dem Weg rumen.Warum ich nicht volle Punktzahl gebe, liegt daran, dass manches doch etwas unglaubwrdig ist - und mir der Schreibstil nicht ganz gelegen ist. Zum Teil war es etwas langatmig. Aber fr "umsonst" war es ein schnes Buch, das einen langweiligen Nachmittag bereichert hat.0 von 0

Some twists I admittedly didn't see coming, so it was not only for the steamy scenes I couldn't put the book down. Recommend! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannendes auf und ab Von UihUij Tolles und bewegendes Buch!! War wirklich spannend mit vielen Höhen und Tiefen und herzscherz! Ist ein abgeschlossenes Buch also keine wirkliche Serie, obwohl der Titel es so verlauten lässt.

Kurzbeschreibung Emily Simon is a good listener. Maybe a little too good. As a professional counselor who's been unintentionally clocking hours after work with her advice-seeking friends, Emily decides it's time to hang up the counselor hat when she's out of the office and make something happen in her own life. She has just two rules: No men with emotional baggage and no risk takers. Bryan Mac McAvoy is tormented by the death of a teenage boy, shot during a robbery gone wrong, and fellow police officer, Sean Simon, is convinced his sister Emily is just the person to help Mac get back his edge. With his dangerous vocation and giant suitcase full of guilt, Emily vows to steer clear and guard her heart. But when she receives a death threat from a deranged client, she finds that Mac may be the only man who can guard her life. Kurzbeschreibung Emily Simon is a good listener. Maybe a little too good.
