Lucern (Single White Vampire), and his lovely curmudgeon ways was going to be put to the test, with the upcoming wedding of Lucern and Kate. Too lovey-dovey wrapped up with themselves, small details of the upcoming ceremony are slipping by them. Like the arrival of Kate's cousin, Terri. Bastien has been living in the penthouse over the Argeneau offices, quite happily alone since Lucern had moved in with Kate. But that solitude is about to come crashing down around him as the wedding approaches. First Kate pressed Bastien into picking up Terri at the airport, since the loving couple had other business. Bastien has no problem with that request. It's the second favor Kate asks of her brother-in-law to be that puts the crimp into his quiet lifestyle she needs him to put Terri up while she is in town for the wedding. Seeing no real problem putting her up for a day or two, Bastien agrees. Only after he commits to the arrangement, Kate informs him that Terri is coming earlier than the rest of her family - two weeks earlier! But it's too late to make other arrangements, because Terri is due at the airport within minutes! Bastien has viewed the pending nuptials with mixed emotions: happiness for Lucern, disgust at their frequent public displays of being besotted and a wee dram of envy. Bastien is not about to voice this aloud fearing mommy dearest Marguerite will sharpen her matchmaking efforts. She has always insisted her children need to be mated with someone who brings the zest for living back and the Lissianne and Etienne married and Lucern well onto his way, her crosshairs has come upon Bastien and he is feeling her breath down his neck. Bastien fears logistical problems in having Terri around for two weeks. How do you hide that you are a vampire from a woman living under the same roof for that long? It gets worse when his nephew Thomas shows up. A wannabe actor, he is preparing for a roll on Broadway playing what else a vampire! Terri is instantly charmed by Thomas who tries to lure her in helping him "rehearse". Bastien is distracted by the physical attraction to Terri, but his befuddlement is compounded by having to keep an eye on Thomas - a vamp of the old style who likes to keep his fangs sharp! Matters grows worse as Kate's boss, Chris, has one accident after another and Kate ends up installing the editor in Bastien's apartment while his is being repaired. (Note for those loving an inside jest Chris is loosely based on Chris Keeslar, editor at Dorchester Publishing Lynsay's editor for the vamp series!). All in all, it's another delightful Argeneau romp that will delight readers of the series! In a bidding frenzy, Avon books bought the rights to the Argeneaus. Lissianne's tales in being finished with at least four more planned. So, long live the Argeneaus!

War etwas besorgt da das Buch hier auch schon mehrere schlechte Bewertungen hatte, kann aber absolut nicht behaupten, das es auch nur im geringsten langweilig war. Es war wie immer absolut romantisch, sexy und urkomisch. Fand es sogar ein wenig fesselnder als Single White Vampire. Nach jedem Buch bin ich nur noch wilder auf den nchsten Band. Mache mir jetzt schon sorgen weil ich nurnoch 2 Bcher zu lesen habe. 8 von 9 Kunden fanden die folgende Rezension hilfreich. Who will laugh? Von Ein Kunde Oh this book is simply fantastic! This is the third book in Sands Argeneau- Vampire- Series. The first book Single white vampire, was about Lucern and Kate and the second Love Bites was about Etienne and Rachel! This book is about Bastien the youngest of the Argeneau- Brothers (They have a sister called Lissianne too, but she has no book. Yet) Bastien gets hooked up with the cousin of Kate, Teri. Teri is aq Englishwoman and doesn't know that her cousin isn't a human anymore. Kate asks Bastien if Teri could stay at the family penthouse and Bastien agrees. Then they fall in love, but Vincent a cousin of Bastiens side of the family (= vampire) stays too at the penthouse and he has a healthy appetite for young woman.. Oh this book is great! I love all the characters and sometimes you HAVE to laugh out loud! Especially if Marguerite (Bastiens mother) comes into a scene and tries to HELP her dear children with getting a wife! Or when Bastien tries to keep Teri away from Vincent... SIMPLY FANTASTIC!

Kurzbeschreibung Take a bite into fresh, fun vampire comedy read Lynsay Sands. Carly Phillips Nobody does vampire romance quite like Lynsay Sands! Tall, Dark Hungry is the fourth book in her insanely popular Argeneau vampire series and she brilliantly blends laughter with steamy passion in this story about a British lass who falls hard for a tasty immortal in-law she meets when she crosses the ocean to attend a cousins New York wedding. Paranormal romance is hot, hot, hot! And Lynsay Sands is not only one of the pioneer authors of this subgenre she's one of the very best!
