great book! Von Valerie Bongards This is the second in the trilogy. Now we learn about Alex Maxwell and Fayth Graham. Fayth is to marry someone she doesn't love to further her brother's schemes. Alex kidnaps her, and while she is his captor a love and passion grows between them. Fayth wants to desperately find her stepmother who ran away from her brother together with Patrick, Alex's brother. Again, Jen Holling has woven a wonderful story, full of intrigue, betrayal, romance and passion. I am certainly looking forward to the next and last book. So far, highly recommended!

Kurzbeschreibung Refusing to marry a man she does not love, Fayth Graham is forced to flee her ancestral home. Her freedom is short-lived when she is captured by her most reviled enemy -- Alex Maxwell, who would never forgive her for teasing him mercilessly and then betraying him to her family. Now, as they search for the mystical Bloodstone, she fears he will use her captivity to avenge his savaged pride. But their heated encounters leave them both shaken and Fayth soon suspects that the force that burns between them might, after all, be love....
