Nice read, mainly because it was shortVon MagritteTaming Alec is a short Novella, i would think even less than the 111 pages stated on .Anyway it is a sweet love lust story, a very fast and nice read, nothing too complicate, nothing too special.Alec is Rebeccas new breathtakingly sexy and male neighbour. She jsut moved into his building, starting a new job as a teacher this young curvy teacher is stunned to lust by him and than frightened away when she caught him

pounding into a woman on his sofa late at night with rock music screaming from his place. He wants to scare her away, but her best friend talks her into not being frightened by him, flirt with him and then ignore him. She is tempted to play him but in the end she is more tempted by him. He desires her as well, but is convinced that he is bad news for her so he resists her ... or tries at least. Once again, the story is fast and short and this is probably why it didn't annoy me too much that it had no real plot. The characters were a bit shallow, once again acceptable. I am curious to discover a long book by K.A. Robinson. Enjoy the read MBTMO von 0 Kunden fanden die folgende Rezension hilfreich. Short but nice Von NaCh Not a revolutionary new plot, not something you haven't read before, but it was a fun time to read. Looking forward to more by K.A. Robinson.

**Kurzbeschreibung** This title is a novella. Word count is approximately 20,000 words. Rebecca is the good girl. She doesn't have time to think about a normal social life--let alone, her nonexistent love life. Fresh out of college, she moves into her very first apartment. Her safe world explodes when she meets her new neighbor, Alec. Tattooed, pierced, and with a body to kill, he's every woman's wet dream. Too bad he's arrogant beyond belief. Rebecca instantly hates him. Unfortunately, her body doesn't agree. When Rebecca's best friend, Arie, comes up with a plan to put Alec in his place, Rebecca jumps at the chance. Their plan is perfect--except neither of them counted on Rebecca falling for Alec when she sees another side to him. Caught somewhere between lust and hate, Alec and Rebecca each fight against their own emotions. Will Rebecca walk away? Or will she be able to tame Alec and his wild ways?\*\*\*18+ only for sexual situations\*\*\*
