**Von Linda Lael Miller : Taming Charlotte (Quade)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Taming Charlotte (Quade):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The best of her books.Von Ein KundeCharlotte is a brave, young girl that will make you both laugh and cry. A great follow-up book to Yankee Wife and lead-in to Princess Annie. One of the first romance books I've read that leaves you worrying

until the last page. Of course, there's a happy ending but the journey there wasn't so easy. With the exception of the harem, a story that could very easily take place today. Truly wonderful.0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent! Von Ein Kunde "Taming Charlotte" is another excellent romantic escape by Linda Lael Miller. I have to go out now and find "Yankee Wife" which is part one and "Princess Annie" which is part two of the series.0 von 0 Kunden fanden die folgende Rezension hilfreich. another Miller classic Von Ein Kunde Millers heroins traits of strong wills and high pride do not lack in this exciting adventure/romance novel surely to capture your heart.

Kurzbeschreibung Kidnapped and confined in a harem -- that's not the scenario Charlotte Quade envisioned when she prayed for just one grand adventure before sailing home to Washington Territory from Europe. While exploring the ancient, exotic island kingdom of Riz, Charlotte foolishly lost her way. In a dizzying moment, she was snatched, bound up in a sack and unceremoniously dumped -- completely naked! -- in the ship's cabin of the very same man who had caught her fancy as a young girl in Seattle: Captain Patrick Trevarran. But Charlotte's dream lover turned out to be no gentleman! He had once gallantly fetched her, as a mischievous teenager, from the riggings of his ship, but now he appraised her with exasperation and quickly packed her off to the harem of a sultan friend. When they were reunited -- as much by mercy as by fate -- it was clear that Patrick wished merely to tease and trifle with this pretty, rebellious American. But, through their adventure, Charlotte had discovered a provocative man torn between recklessness and devotion, between storm and calm. Now, with all the strength and passion she possessed, Charlotte would chart a course that would sweep them at last to their destiny -- a glorious and resounding love. From Publishers Weekly In 1877 Charlotte Quade has finished her tour of Europe and is longing for one "glorious adventure" before returning home to Washington Territory. No sooner does she express that desire in a letter to her sister than she is kidnapped in a marketplace on the island of Riz while traveling with family friends. The prize in a poker game, she is then delivered as a gift to Patrick Trevarren, a ship's captain on whom she has had a crush since she was caught climbing his rigging at the age of 13. Patrick deposits her in his friend the sultan Khalif's harem so that he can complete some business before accompanying her to Seattle, but she fears that he has abandoned her and tries to escape. To avoid punishment for her escape, she is forced to marry Patrick when he returns. The two then travel together but are soon called back to assist Khalif when his evil half brother tries to take over the palace. Miller (Yankee Wife) fills this frenetically paced romance with spirited repartee meant to recall *The Taming of the Shrew*, but while Charlotte is appealing and clever, her love interest is not her intellectual match, and his insistences that she stay out of trouble become tiresome. Copyright 1993 Reed Business Information, Inc.
