Von Suzanne Enoch : Taming Rafe (The Bancroft Brothers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Taming Rafe (The Bancroft Brothers):

KundenrezensionenHilfreichste Kundenrezensionen7 von 7 Kunden fanden die folgende Rezension hilfreich. A KEEPER!Von Ein KundeThis is only the second book I read by Suzanne Enoch. I wasn't sure if she was a flash in the

pan when I read "Reforming A Rake." To my relief, she wasn't because I loved "Taming Rafe" as much "RAR." Her characters show a great deal of vulnerability and the story is told in the eyes of both hero and heroine which I enjoy...too many of the romance books are told through the eyes of the heroine only. I am going to find more of her books since I enjoyed these two so much.4 von 4 Kunden fanden die folgende Rezension hilfreich. A new favorite!Von Jesse PetersenI really loved this Regency period historical! Rafe wins an estate, Forton Hall, in a game of chance and goes to see it, hoping he can sell it to finance his next trip around the world. Unfortunately, Forton Hall is a decrepid place that already has residents, Felicity Harrington and her little sister Mae.After an incident with a tea kettle, Felicity is sure poor Rafe is touched in the head, but decides until ownership of Forton Hall is determined that she should use him to fix up the place. He does so willingly, captured by the sparkle in her eyes. Soon she learns he really is the owner of her ancestral home and the owner of her heart. Can the love of a woman keep roaming Rafe from the wilds of Africa, India, and China? Only time will tell!A terrific read! Very romantic and funny!2 von 2 Kunden fanden die folgende Rezension hilfreich. good, but boring at timesVon Ein KundeWhen my language arts teacher recommended Suzanne Enoch to me as a romance author, I immediately ran to the bookstore to buy her books. I read By Love Undone first and I loved it, so I eagerly picked up Taming Rafe right afterwards. I loved the character of Rafe, who is still the embodiment of the perfect rake for me. He's so charming, noble, caring, funny, and charismatic that I just fell in love with him. However, in my opinion, the plot was boring and I got tired of the storyline pretty quickly. Even Rafe couldn't speed it along. The characters are quite lovable, including little May and Beeks, the butler. But the heroine, Felicity, didn't appeal to me all that much, perhaps because the story centered around Rafe so much. All in all, the book had great characters, but the plot just plain bored me.

KurzbeschreibungOnly she can satisfy . . . When Rafe Bancroft wins Forton Hall in a card game, this rogue finds himself saddled with responsibility he cannot wait to foist off. The sooner he can sell the blasted estate, the sooner he can be off on his next adventure. Yet he doesn't count on running into the very alluring Felicity Harrington, who ignites an all-consuming desire in him quite like no other woman. His restless desire . . . Felicity is enraged to learn that Rafe is now in charge of her ancestral home. Vowing to rescue herself and her family from ruin at the hands of the handsome rake, Felicity must devise a plan. But she is distracted by thoughts of what it would feel like to kiss her irresistible enemy an enemy who can bring her the greatest downfall . . . or the most exquisite passion..deSetting: Regency England Sensuality Rating: 9 Rafe Bancroft suffers from terminal wanderlust, much to the dismay of his family. They want him to settle down, while he wants to set sail for China. Unfortunately, he doesn't have the funds to wander so far. But when he wins Forton Hall in a card game, it seems as if fortune has finally smiled on him. Planning to sell the Hall in order to finance his next adventure, Rafe is disappointed to find that it is nothing more than a ramshackle estate--a money pit rather than the money tree he had first envisioned. But Rafe has no idea just what price fortune is going to exact, for the Hall may be nearly derelict, but it isn't empty of inhabitants. Residing in the once grand old house is beautiful Felicity Harrington and her precocious 8-year-old sister, May, both of whom will go to any length to protect their ancestral home. At first Rafe has a difficult time convincing the two women of his legitimate claim to their home, but, inevitably, they concede. Ever the practical woman, Felicity makes plans to apply for governess positions--and desperately tries to suppress her growing attraction to the handsome charmer. Meanwhile, Rafe struggles with his own feelings for Felicity as well as his growing pride for his possession and his commitment to the Hall and its people. Will Rafe's urge to wander the world win out, or will his love for Felicity keep him at home? Before the two have time to work out the problems that may keep them apart, greed and danger raise their ugly heads and threaten not only the two lovers, but May and the Hall itself. Fast-paced and witty, Taming Rafe is a sexy Regency romp underlaid with heart and humor. There's nothing quite as fun as watching a rake who considers himself beyond redemption be saved by the good woman who believes in him. --Lois Faye Dyer.comSetting: Regency England Sensuality Rating: 9 Rafe Bancroft suffers from terminal wanderlust, much to the dismay of his family.
