A modern Beauty and the Beast storyVon Ein KundeRichard Blackthorne lives like a recluse in his large mansion after an accident left him not only disfigured but also emotionally scarred and bitter. Now that his four-year old daughter has come to live with him, he hires Laura Cambridge as a nanny."Taming the Beast" is a modern Beauty and the Beast story, that by all counts shouldn't work at all. It is after all very improbable; Richard and Laura never meet face to face in full daylight until halfway through the story. It is nevertheless a highly emotional and sensual love story that I

enjoyed very much. Definitely a keeper for me!

Kurzbeschreibung Summoned like a serving girl to the king, Laura Cambridge was hired as nanny to Richard Blackthorne' s secret child. Rumors about this hulking recluse didn' t daunt Laura her beauty-queen past had taught her the inner person didn' t always match the facade. But Richard' s heart was as painfully scarred as his chiseled features .To Richard, lovely Laura was like candy dangled in front of a baby he was offered the sweet, but denied the taste. Yet sometimes grizzly bears enjoyed a taste of honey and in fiction the disfigured Mr. Rochester won the love of Jane Eyre. So Richard dared to woo his green-eyed goddess, gambling that like Jane Laura would one day declare, " Reader, I married him."
