Von Lynsay Sands : Taming the Highland Bride (Historical Highlands) before purchasing it in order to gage whether or not it would be worth my time, and all praised Taming the Highland Bride (Historical Highlands):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. No surprisesVon Helen HancoxMerewen Stewart, occasionally called a shrew, is fed up with her drunken father and

brothers... and with the man she's supposed to marry who's been off on crusade. When she hears her betrothed, Alexander d'Aumesbery, is home from crusade, her father and brothers take her to marry him. Although Merry isn't particularly sad to wave goodbye to her drunken family as she has hopes that her husband may be a sober and worthy gentleman, she's vastly disappointed to first lay eyes on her betrothed when he's dead drunk. The following days aren't much better as he stumbles and is clumsy and appears to also have a drink problem. Alex has heard the rumours about his shrewish betrothed but finds her a refreshing surprise. But as soon as she arrives at his home strange things start to happen. Is she responsible for drugging him and for some attempts on his life? As they travel to visit Alex's sister and her new husband, it seems that the danger is coming along with them. Can they get to the bottom of events and build a true relationship?

Lynsay Sands has a simple but readable writing style. Although I find her books rather lacking in characterisation and plot, largely driven through dialogue, they aren't boring. This book was the same, and despite its rather misleading title (there wasn't really any 'taming' to be done to Merry) it was a reasonable read. There were an awful lot of places where I had to suspend disbelief, for example the efficacy of some herbs which would make Viagra's makers rather excited, and the mystery side of the plot wasn't particularly gripping, but for those who like Lynsay Sands' books this is another of a similar level and will appeal to those who like historical highland romances.

Originally published for Curled Up With A Good Book Helen Hancox 2010 von 0 Kunden fanden die folgende Rezension hilfreich. Mittelalter pur Von Cornelia Wollersheim Bisher habe ich eigentlich von Lynsay Sands überwiegend ihre Vampirromane gelesen. Diese Geschichte ist genau so groartig wie alles von dieser Schriftstellerin. Man kann sich direkt in das Mittelalter zurck versetzt fhlen. Da war wieder alles dabei: Intrigen, Action, viel Humor; unglaublich sexy. Ich kann fr mich sagen, dass ich begeistert bin. 0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 Von Erika Francesca as order and recieved and as product describation. also recieve on time and no problems any wherethat is all i can say about it

Kurzbeschreibung You cant help but fall in love with Lynsay Sands! New York Times bestselling author Christina Dodd Lynsay Sandsthe perennial USA Today and New York Times bestselling author well-known and loved for her delightful novels featuring the Argeneau family of vampires once again shows us another side with Taming the Highland Bride, the second in the wonderfully witty, supremely sexy historical romance series she kicked off with Devil of the Highlands. With Taming the Highland Bride, the incomparable Lynsay pays homage to the immortal Bard, William Shakespeare, as she delights readers with a tale of a smitten Scotsmans determined efforts to tame his beautiful, hot-tempered fiance, the notorious Stewart Shrew.

Buchrckseite She was ready to let her heart run wild . . . Merry Stewart has had enough! Enough of her brothers, whose behavior would make even the most improper lady blush. Enough of their Highland home, which would surely have fallen to ruin were it not for her. She dreams of escaping into the arms of her betrothed, Alexander d'Aumesbery even though they haven't yet met. But when they do, Merry is devastated. It seems he's no better than the men in her family. So beautiful, so brazen . . . From the moment he meets Merry, Alexander is determined to make her his. Desperate to convince her he's nothing like the members of her roguish clan, he will prove he is every bit the well-mannered gentleman. Yet, beneath it all beats a heart as intense and uncontrollable as hers. And finally, when his life is threatened, Merry realizes he's the husband she's been waiting for . . . and their passion becomes the one thing that cannot be tamed.
