Tangled up in loveVon -KundeThis is an absolutely great story!Although we expect the happy ending from the first page on, it is absolutely fun to read how Ronnie and Dylan threat each other and finally fall deeply for each other.This is a great

book for a rainy afternoon at home!!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great idea but what a boring book!!!Von StefanieI loved the idea of the story - and that's actually pretty much the only reason for rating 1 star!It sounds like a great idea for a great story, and that's why I bought the book in the first place. Now I have to say that I'm totally disappointed!!!The "dialogues" are absolutely boring and not funny at all. You can't even call them dialogues, because -I don't even know how to say this- but, just as an example, in this book someone says something on page 10, and then you get the answer to that statement on page 13, and in between it's just blabla about that one statement, why someone said it, how this makes the other one feel and why someone feels this or that way... it continues like that throughout the entire book - what a pain!It was the first book where I thought I wouldn't finish it, but I just can't leave a book unfinished...I also didn't like Ronny that much, because most of the time I just thought she was very rude to Dylan, but then in the end all of a sudden she was madly in love with him - what a change from one page to the other...If you look for an awesome book with great dialogues then try Julie James, she's funny and each of her books is a winner!!!

KurzbeschreibungEver since Dylan Stone beat Veronica Chasen out of a prime position at the Cleveland Courier, they've been bitter rivals, engaging in a very public war of words in their competing newspaper columns. They routinely challenge each other to go bungee jumping, white water rafting, or into tattoo parlors to see who will wimp out first. But Veronica's latest taunt may be Dylan's toughest assignment yet: She dares him to learn to knit.Dylan is not going to let something his grandmother can do scare him off. He's man enough to make a scarfand attend Veronica's weekly knitting circle. But when the infuriatingly handsome Dylan shows up at the craft shop and charms all the ladies, Veronica starts to get all knotted up in something that feels a lot like love...Pressestimmen"I LOVED it!"--Lori Foster"Fantastic!"--Carly Phillips"The most entertaining romance of the year."--Lisa Kleypas"Fresh, hot, and irresistible.
