Von Kay Bratt : Tangled Vines (Tales of the Scavenger's Daughters Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tangled Vines (Tales of the Scavenger's

Daughters Book 2) (English Edition):

Kurzbeschreibung With the bad memories of the Cultural Revolution and a life of hard work behind them, Benfu and his treasured Calla Lily are content watching their daughters blossom six young women who they adopted as their own. But when a clue to the whereabouts of the biological daughter they lost decades ago suddenly surfaces, they begin a frantic search to find their beloved Dahlia. Li Jin has lived thirty years at the mercy of cruel foster parents and a bleak orphanage, often surviving on the streets. But now that she has a son, she must try to make a better life for them even if it means withstanding the abuse of a seedy foreigner in exchange for a home. But when Erik's treatment turns truly sadistic, she must find a way to escape once and for all. A beautiful yet haunting story about the lost girls of China, Tangled Vines takes us on a journey of heartbreak and then hope as we witness a woman's quest to change her fate and a family's last chance to untangle the lies of the past.
