Gut geschrieben, mu aber bearbeitet werdenVon readerDas Buch ist gut geschrieben und es hat mir Spa gemacht, es zu lesen. Die Handlung ist auch mal etwas anderes.ABER:Tank war 8 Jahre als der Vater die Mutter verlie und sich auch scheiden lie. Heute ist er 28.Luke ist 22 Jahre alt, seine Mutter war mit Max verheiratet, als Tank 6 Jahre alt war; war

Max Bigamist?Und dazwischen zeugte er mit Freundinnen Gabe und Zack, erstaunlich, dass er vier Frauen gleichzeitig betrogen und belogen konnte.Die Autorin sollte erst die Biographien ihrer Protagonisten erstellen und dann die Geschichte schreiben, so ist es trotz guter Geschichte für den Leser unbefriedigend, wenn man immer rechnet und zu keinem schlüssigen Ergebnis kommt.0 von 1 Kunden fanden die folgende Rezension hilfreich. Sehr ansprechendVon Ulrike N.Ein wunderschönes Buch mit sehr origineller Charaktere, in einer sehr einfachen, aber ausdrucksstarken Sprache geschrieben, großes Erzähltalent, fast wie ein Film. Wer gerne in die Figuren eines Buches eintaucht, kann es hier tun....viel Spaß!

Changes. Everything.- - - EXCERPT - - -Her breath whooshes out all at once, and then she takes a deep inhale. Her eyes stay on my face. We stand like that for a few minutes, breathing quietly. When the color comes back to her face, I move away.I am so sorry. I'll move it. I lead her to the bed and she sits, woodenly. I block her view of the nightstand with my body as I retrieve the gun. There's a gun locker in my closet where I keep my Heckler Koch and a few of my semi-automatic rifles. I walk into the closet and put the Glock in the case. When I come out, I sit on the edge of the bed. Emma? When your parents were killed you were there, weren't you?Her fingers clench in the blanket and then her head bobs up and down. Yes. Emotion wells inside me. She's here, helping me, even though watching violence of any kind has to be traumatizing for her. The scene she witnessed in the alley tonight suddenly takes on new meaning. She waded into that for me. She's dealing with things that obviously scare the sh-t out of her, for me. You don't have to stay. I understand if you want to go home. Even I'm not selfish enough to make her sleep here if she's freaked out. Nothing is going to help me at this point but I can help her. I'll probably be up all night anyway but she needs to sleep. And she needs to feel safe enough to do that.She turns sad eyes to me. I'm staying, Tank. I told you I would.
