KundenrezensionenHilfreichste Kundenrezensionen2 von 3 Kunden fanden die folgende Rezension hilfreich. Nicht schlecht, aber da bleibt noch Luft nach oben.Von A.H.Ich habe das Buch gern gelesen, die Autorin hat einen netten Schreibstil und die Charaktere sind meist sympathisch. Allerdings fehlte mir ein wenig der Zusammenhang, also so eine Art roter Faden, der sich durch das Buch zieht. Auch fehlte mir etwas die Spannung, da Charlotte bei den Ermittlungen nicht in jedem Fall aktiv unterstützt bzw. aktiv zur Lösung des Falls beiträgt. Trotzdem ist das Buch für ein Erstlingswerk schon recht ordentlich geschrieben, ich werde also auch die weiteren Teile lesen, wenn sich die Gelegenheit ergeben sollte. Am Ende des Buches gibt es noch ein paar Rezepte.

KurzbeschreibungSmall-town murder was never so calculated.On a peaceful morning in the English coastal town of St. Eves, a handsome stranger meets a gruesome end.St. Eves is a town with real community spirit. It's the kind of town where people leave their doors open from sunrise to sunset, allowing friends and neighbours to pop in for a chat and a nice cup of tea. No one's ever too busy for a chat and a nice cup of tea in St. Eves. However, that wonderful way of life is threatened following the arrival of strangers to the town. Not that that's unusual - St. Eves has a steady stream of visitors all year round. These strangers, though, are followed swiftly by murder.As caf-bar owner Charlotte Denver takes up the challenge to help find the killer before they strike again, she uncovers a shocking plot that rocks the close-knit community to its core, and a surprising twist.There are engaging characters, a little romance, and recipes to try for yourself in Tapas, Carrot Cake and a Corpse, the first book in the feel-good Charlotte Denver Cozy Mystery Series.Please Note; This book is written in British English and contains no strong profanity, sex or graphic violence.KurzbeschreibungSmall-town murder was never so calculated.On a peaceful morning in the English coastal town of St. Eves, a handsome stranger meets a gruesome end.St. Eves is a town with real community spirit. Since then shes read many more, finding new authors to add to her list of favourites along the way and enjoying the different approach and style that each author brings to their own Cozy Mystery stories. Apart from writing, Sherris main interests include her rescue dog, cooking, reading, watching crime and US political dramas and dreaming up new Cozy Mystery plots. Tapas, Carrot Cake and a Corpse, the first book in the Charlotte Denver Cozy Mystery series, is her debut Cozy Mystery book.
