Von Bec McMaster : Tarnished Knight (London Steampunk) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tarnished Knight (London Steampunk) (English Edition):

Good read Von shannon Wem - wie mir - "Kiss of Steel" gefallen hat, der sollte auch "Tarnished Knight" lesen. Gut geschrieben, tolle Charaktere und sehr unterhaltsam. Ein bisschen schade, dass es das Buch nur als E-book gibt (die

anderen habe ich als richtige Taschenbcher und bleibe innerhalb einer Reihe gerne dabei) und es nur so kurz ist - andererseits ist das irgendwie der Geschichte angemessen, ist eben eher eine Nebenhandlung. Werde auf jeden Fall die kommenden Bcher von Bec McMaster auch lesen und freue mich schon sehr aufs Nchste!

KurzbeschreibungIn the steam-fuelled world of Victorian London, vampires, werewolves and slasher gangs stalk the night and a man made partly of metal is about to discover just how far hell go to protect the woman he lovesAfter a vicious vampire attack left him struggling to leash the dark urges of the craving virus, John Rip Doolan, thinks hes finally starting to master the darkness within. The only thing that threatens to shatter his hard-won control is Esme, his closest friend and the only woman hes ever wanted. If the stubborn beauty ever realised precisely what was going through his mind, their friendship would be ruinedFor six months Esme has waited for Rip to recover and take her as his thrall, not daring to hope for more. Too afraid to put her heart on the line, shes devastated when Rip reveals that he never had any intentions of making her his.But when a savage gang of Slashers start causing havoc in Whitechapel, Rip and Esme have no choice. They must face up to the depth of the passion that burns between them and forge a new relationship or risk losing each other forever.Deftly blends elements of steampunk and vampire romance with brilliantly successful resultsdarkly atmospheric and delectably sexy. Booklist, starred review for KISS OF STEEL
