Von Ingrid Stephanie Jordan Title : Tattered Loyalties Talon Pack Novel Author : Carrie Ann Ryan Reviewed by : Stephanie Jordan I loved the The Redwood Pack but after reading this I'm torn, because I like both Series. Ms. Ryan has me definitely hungry for Book Two. Brie Jamenson knew since she was a child who her

mate was. But she kept it to herself, first off she was too young now and he wasn't from her Pack. If that wasn't bad enough there is no way The Fates got it right they had to have made a mistake, she was a submissive and he was an Alpha. Gideon Brentwood was Alpha of the Talon Pack for thirty years now, ever since he killed the old Alpha who was out of his mind and evil, the man who should have protected him but didn't, his father. The Packs were coming into change lots of changes, but are they ready? I was gifted this ARC for an honest and truthful review. 0 von 0 Kunden fanden die folgende Rezension hilfreich. good story but horrible editing Von Hoener, Birgit Quite a good story - a submissive being the fated mate of an alpha wolf from another pack promises an interesting plot and characters, and I was not disappointed. How Brie manages to find her place in the new pack - and the respect of the pack members - was well told, and shows that, as the saying goes, you should not judge a book by its cover. What did put me off (and cost this a star - sorry) was the very poor editing; I can live with a couple of spelling errors, but here someone did a very bad job: there were wrong pronouns (she instead of he and vice versa), words were missing their endings or were left out completely of sentences. That was really annoying. I will not put me off reading the other books in this series, though - the characters were too interesting, with a depth that was surprising.

Kurzbeschreibung When the great war between the Redwoods and the Centrals occurred three decades ago, the Talon Pack risked their lives for the side of good. After tragedy struck, Gideon Brentwood became the Alpha of the Talons. But the Packs stability is threatened, and hes forced to take a mate only the one fate puts in his path is the woman he shouldnt want. Though the daughter of the Redwood Packs Beta, Brie Jamenson has known peace for most of her life. When she finds the man who could be her mate, shes shocked to discover Gideon is the Alpha wolf of the Talon Pack. As a submissive, her strength lies in her heart, not her claws. But if her new Pack disagrees or disapproves of fates choice, the consequences could be fatal. As the worlds Brie and Gideon have always known begin to shift, they must face their challenges together in order to help their Pack and seal their bond. But when the Pack is threatened from the inside, Gideon doesnt know who he can trust and Bries life could be forfeit in the crossfire. It will take the strength of an Alpha and the courage of his mate to realize where true loyalties lie.
