Von Diane Moody : Tea With Emma (The Teacup Novellas Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tea With Emma (The Teacup Novellas Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Leichte, aber nette Ferienlektüre Von kari Das Buch erzählt auf beschwingte und nette Art die Geschichte von Maddie, die einen englischen Teesalon in Austin eröffnen möchte. Das ganze ist in eine Rahmenhandlung eingebettet, in der eine Schriftstellerin verschiedene Teetassen erbt - diese inspirieren sie zu ihren Geschichten. Es ist die perfekte

Ferienlektre - die Dialoge sind gelungen und schwungvoll. Man liest einfach und möchte wissen, wie es weitergeht (obwohl es ja eigentlich bald klar ist . . .) - Trotzdem: auf jeden Fall empfehlenswert! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not great. Von eva__ I usually don't like stories-within-a-story. Same here. A whacky romance novel writer needs inspiration, and her aunt's collectors' cups come to the rescue. The story-within is a bad, very bad remake of "Emma" (note the subtle hint in the title...). Very predictable. The heroine is supposed to have "perky Southern charm" but it comes off as merely annoying.

Kurzbeschreibung From bestselling author Diane Moody, Tea with Emma has over 275 "Five star" reviews. Fresh from a Jane Austen tour in England, Maddie Cooper returns home to Texas, determined to bring a touch of "Austen to Austin." She dreams of opening an authentic English tea room and, like Austen's Emma, put into practice her self-proclaimed gift as a matchmaker. But an airport mishap with a cranky Englishman gets her off on the wrong foot (quite literally), especially when he moves into the university guest house across the street. Can Maddie find a love for her unapproachable new neighbor, or has she finally met her match? Kurzbeschreibung From bestselling author Diane Moody, Tea with Emma has over 275 "Five star" reviews.
